

Microsoft Teams Meeting Room (Service A)

Alfa Connections is offering the customer a choice of implementing Teams Meeting Room device with Logitech Device.

Summary

Implementing Microsoft Teams Room for enhancing the user experience of using Microsoft teams Meeting solution.

Description

Transform meeting spaces ranging from small huddle areas to large conference rooms with a rich, collaborative Teams experience that's simple to use, deploy, and manage.

The Typical Scope of Works Consists of

- Establish project team, objectives, requirements, and schedule
- Configure, and register Microsoft Teams Room
- Setup and register Logitech Select Portal
- Assign Resource account with Microsoft 365 Teams Meeting Room Pro license
- Conduct training and change management for end-users

DELIVER BETTER HYBRID MEETING EXPERIENCES

Learn about the features that provide meeting experiences designed to make everyone feel included.

PROXIMITY JOIN

Use a personal device to detect nearby Teams Rooms and join the meeting from the room. Audio from the personal device is muted automatically to avoid feedback.

AI-DRIVEN MANAGED SERVICES FOR TEAMS ROOMS

Delegate operations management to experts to obtain enhanced guidance, insights, and proactive device security configuration and updates.

INTUITIVE TEAMS EXPERIENCES

Enjoy a predictable, familiar experience with the Teams app on devices.

ROOM REMOTE

Conveniently control Teams Rooms devices using the room remote capability in the Teams mobile app.

ONE-TOUCH JOIN

Instantly join meetings and engage the audio and video equipment with one touch.

MICROSOFT CALENDAR INTEGRATIONS

Reserving a Teams Room is simple in Outlook, and Teams, and from a Teams panel.

DEVICES, SOFTWARE, AND SERVICES SECURED BY DESIGN

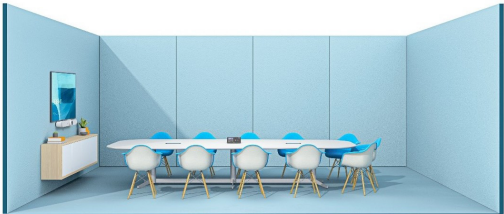

Enable security out of the box with Microsoft-certified Teams devices and automatic updates that keep systems in a secured state by default.

THE LOGITECH SELECT

A comprehensive service plan for meeting rooms that maximizes uptime with 24/7 support, advanced RMA, and Sync Insights.

Inclusive:

- 24/7 Enterprise-Grade Support
- Dedicated Success Manager
- Product Replacement
- Insights and Analytics
- ServiceNow Integration

For Small Room (6< People)	For Medium Room (<11 People)	For Large Meeting Room
