

Digital For All: Frontliners

Optimize and build an agile Supply Chain has never been more critical and essential

Digital for all is a Saegus offer dedicated to workplace adoption for frontline workers. It aims to address specific needs of these people.

What is Digital for all?

Our methodology places the forgotten of the digital transformation back at the center.

It aims to optimize work patterns, to ensure a level of commitment, to maximize added value of implemented solutions, and go further in exploiting potential of collaborative tools.
