

Modernize legacy applications with Azure

5 Day Technical Assessment

The **OZ** Difference

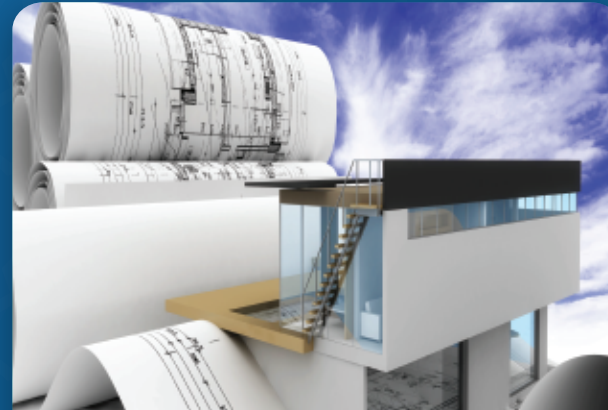

True One-Stop Partner

- We collaborate with our clients to focus on specific challenge areas, assess existing applications, and explore business optimization scenarios.
- Creating immersive user experiences, intelligently automating business processes, and streamlining workflows leveraging the latest Azure cloud technologies.
- Wide range of services means no need for multiple partners in your ecosystem.

Azure Expertise

- We pride ourselves in the quality and reliability of our technical solutions and provide an envisioning to production, guided customer experience.
- By leveraging our OZWay process, we consistently deliver tangible results for our clients. Our teams have assisted multiple clients in their app modernization migration to the Azure cloud.

Delivery Excellence

- OZ has completed hundreds of thousands of project hours on thousands of successful client engagements.
- OZ is known as a partner who always brings projects in on time and under budget.
- We are also recognized as driving exceptional quality and actively challenging the status quo to drive a superior product and experience.

The 'A' Team

- Our delivery team is highly talented and collaborative, with a track record of success – working with some of the Nations top brands and leading Fortune 500 Organizations.

Speed, Quality & Value

- Delivery processes are agile and focused on driving value and ROI.
- Flexible team structure allowing for most competitive value point.
- Documentation & knowledge transfer provided through project lifecycle.
