

# Workplace Modernization Assessment

Make your business applications better.

## WHAT'S INCLUDED

With the Workplace Modernization Assessment we take a four-phased approach to determine your path forward.

### > ASSESS & DISCOVER

- Gather accurate data from your IT environment
- Real-time details on your environment
- Identification of cloud transition blockers

### > PLAN & DECIDE

- Determine what changes are top priority
- Understand how cloud-based scalability can increase agility
- Identify opportunities for improving business processes and efficiency

### > MIGRATE

- Develop a roadmap for your organization's cloud journey
- Cost analysis of migration to the cloud
- Prioritize end user tools and business apps for transition to the cloud

### > OPTIMIZE

- Gain a partner to help you measure your progress
- Track and achieve milestones using custom migration plans
- Establish a utilization baseline for assessing progress over time

## About Softlanding
