

# Ideas with value

## 1-week workshop

## Improve engagement, drive innovation

Learn more about Microsoft Power Platform and how to gather and harness ideas from your employees, generating value for your organization and expanding your innovation portfolio.

Did you know?

*“50% of the time spent on work tasks can be automated.”*

– Nova SBE and CIP

### CHALLENGES

Are there business processes in your organization that can be improved and automated?

What if all employees could participate in the organization's innovation process regardless of sector, thus improving engagement?

### IDEAL SOLUTION

1-week workshop to reflect on business processes that can be improved, learn how to accelerate the generation and maturation of ideas, and introduce Power Platform productivity solutions that accelerate their implementation.

### DESIRED OUTCOMES

Provide the customer with a structured view of the process of creating and prioritizing ideas, getting a backlog of initiatives and taking advantage of Power Platform productivity solutions across the organization.
