

## DEVOPS DONE RIGHT. THE FIRST TIME.

Amplify your organisation's DevOps culture with the right framework to ensure success

**A WELL-DEFINED FRAMEWORK PROVIDES YOU A WAY TO PLAN, DEVELOP, AUTOMATE AND OPERATE YOUR APPLICATIONS IN THE CLOUD.**

### DEVOPS DONE RIGHT WITH AZURE

Cultivating a DevOps culture inside an organisation can be challenging and requires substantial changes in the way people work and collaborate. A well-defined framework removes this obstacle and sets the direction of your cloud deployments. With Arinco's expertise in Azure DevOps and Azure foundations we will empower your team with a way to plan, develop, automate and operate your applications on the Azure cloud.

### WHY CUSTOMERS USE THE DEVOPS DONE RIGHT ACCELERATOR

This 3-week engagement is relevant if you:

- Want to leverage a established framework to adopt a DevOps culture in your organisation
- Are running an Azure environment without, well-defined automated processes and/or tooling
- Wish to accelerate your adoption of Azure DevOps
- Need assistance with the Microsoft Azure Cloud Adoption Framework and integrating services with Azure DevOps.

#### PLAN

Understand key strategies to effectively plan the deployment of your application.

Utilise Azure DevOps Boards to create epics, backlogs and track bugs, aligned to best practice development methodologies.

Understand how to best plan your deployment and enrich collaboration between teams

#### DEVELOP

Understand common branching strategies and how to integrate your code.

Integrate automated testing and branch policies to successfully test and review your code.

Accelerate development and empower your developers to start working quickly and effectively

#### AUTOMATE AND OPERATE

Build CI/CD pipelines to automate the deployment of your code with governed environments and approval stages.

Maintain and monitor your applications using rich telemetry and identify issues before they hit production.

Automate, manage and operate on the Azure platform the right way, built on a strong framework

Arinco achieves the best outcomes by amplifying, partnering and working with your existing teams
