**WITH THE EVOLVING
DEMANDS OF A
DIVERSE AND THRIVING
WORKPLACE,
A NEW SKILL IS
REQUIRED**

EMPATHY ♥

“The value that I really learned to appreciate deeply and which I talk about a great deal is empathy. I don’t think it is simply a “nice to have” but I believe it is at the centre of the agenda for innovation here at Microsoft”

- [Satya Nadella](#), CEO of Microsoft
