

# Epiq provides its clients with flexible talent with expertise in eDiscovery, Information Governance, Compliance, and Archiving.

## When to use Epiq Flex IG Talent?

If talent is required for a specific project that has a set duration

If you're unable to hire FTEs due to budgetary constraints

If you're unable to source talent with the appropriate level of skills

### EPIQ FLEX IG TALENT DIFFERENTIATORS:

- Epiq has decades of experience, hundreds of global clients, deep business partner relationships, and a strong command of the industry's best practices
- Project durations to meet your needs, whether that's one week or months at a time
- Epiq resources are available either full-time or part-time
- Epiq has the capability to scale up resources quickly as project requirements evolve

### ABOUT EPIQ INFORMATION GOVERNANCE:

Epiq provides a broad range of consultative and administrative information governance experience and services paired with smart technologies, which help organizations plan, execute, and manage information governance strategies.
