Enable Frontline Workshop

Covenant
TECHNOLOGY PARTNERS

Held in-person or virtually this workshop focuses on showing customers the value of using Microsoft Teams as a hub for teamwork, designed to help organizations improve collaboration and increase efficiency by automating key business processes. With the Enable Frontline Workshop, customers will work through various frontline worker challenges and pain points to identify top prioritized scenarios for their frontline workforce. This workshop can be broken down into multiple 4-hour sessions or multiple day sessions.

Price: $5,000

Increase frontline operational efficiency

- Automate business processes
- Connect to line-of-business applications and industry devices
- Enhance shift and task management
- Gain operational visibility for real-time insights

Included in the Enable Frontline Workshop will be:

- Define scope, identify business stakeholders, and gather information on key business scenarios
- Envision the art of the possible, pinpoint scenarios that can result in increased user engagement and productivity.
- Prioritize scenarios to include in a solution plan, define next steps, timeline to develop and implement the solution.

Dedication. Innovation. Results.
