AVD LPR (Limited Production Release)

Empower your workforce anytime, anywhere

Microsoft Funding Available

OVERVIEW

Unlock productivity with Azure Virtual Desktop

In today's fast-evolving business environment, flexibility and remote work capabilities are crucial. Azure Virtual Desktop (AVD) empowers you to equip your workforce with a modern Windows experience and all the essential apps, enabling seamless work from anywhere.

Designed to get you up and running with AVD in Azure as quickly as possible, the AVD Limited Production Release provides a hands-on experience, enhancing your grasp of AVD technology, and illustrating the advantages of modernizing your desktop solution.

BENEFITS

Boost productivity with Azure Virtual Desktop LPR from Softlanding, streamlining remote desktop access for your team, and ensuring high productivity while working from home.

❯ SCALABILITY & FLEXIBILITY

Azure Virtual Desktop flexibly adapts to changing workloads and seasons, optimizing costs and performance with on-demand resource provisioning.

❯ ENHANCED SECURITY & COMPLIANCE

Azure Virtual Desktop offers strong security with centralized data in Azure, including multi-factor authentication, encryption, and compliance certifications, aiding regulatory compliance and enabling role-based access control.

❯ ACCESS FROM ANYWHERE

Azure Virtual Desktop enables secure remote access to Windows desktops and apps from anywhere with internet access, crucial for remote work, ensuring business continuity.

About Softlanding

Founded in 2000, Softlanding is a leading provider of cloud, professional, and managed IT services. We are a multi-award-winning Microsoft Solutions Partner with 5 Microsoft Solutions Designations and 9 Microsoft Specializations. We use our experience and expertise to solve our client's business challenges while creating a solid foundation for growth strategies, flexibility and scalability.

WHAT'S INCLUDED

Softlanding will guide you through the assessment and solution design phase, lead the Limited Production Release (LPR), offer transition assistance to move to production and finally, offer post-implementation support.
