Microsoft 365 Copilot Workshop

Designed as a three-phase interactive engagement, the **Microsoft 365 Copilot Workshop** with BUI will help you to assess your business needs, prioritise Copilot scenarios, and define an actionable road map.

Assess

Define the scope, identify business stakeholders, and gather information on key business scenarios. Complete and review readiness assessment and guidance.

Art of the Possible

Showcase the intelligence added to employee experiences by unleashing creativity, unlocking productivity, and levelling up skills (included in the workshop demonstrations).

Build the Plan

Develop a plan to implement recommendations based on prioritised scenarios. Define next steps and timeline to develop and implement the solution.

WHO SHOULD ATTEND? This workshop is presented by BUI Architects, User Experience Leads and Modern Work Specialists and is suitable for Senior Business Development Managers, Line-of-Business Leaders, Managers, IT Decision Makers and End Users.
