

AGV implementation consulting and fleet management

About MHP – A Porsche Company:

MHP is one of the leading IT and management consulting companies worldwide. We are driven by our customers' success. We ensure this success by providing excellent services based on proven, real-world experience in multiple industries.

„We were able to increase the efficiency of our AGV installation by app. 20% using MHP's project approach and Fleet Executer Software.

This allowed us to achieve a return on investment within under 18 months.“

**– Lukas Hospodarsky,
Digital Transformation Manager, Faurecia**

WHAT WE OFFER

MHP Project approach for AGV'S Implementation:

- 1. Analyze:** IT-Architecture, Initial Assessment, Calculation.
