

# ARCHERPOINT

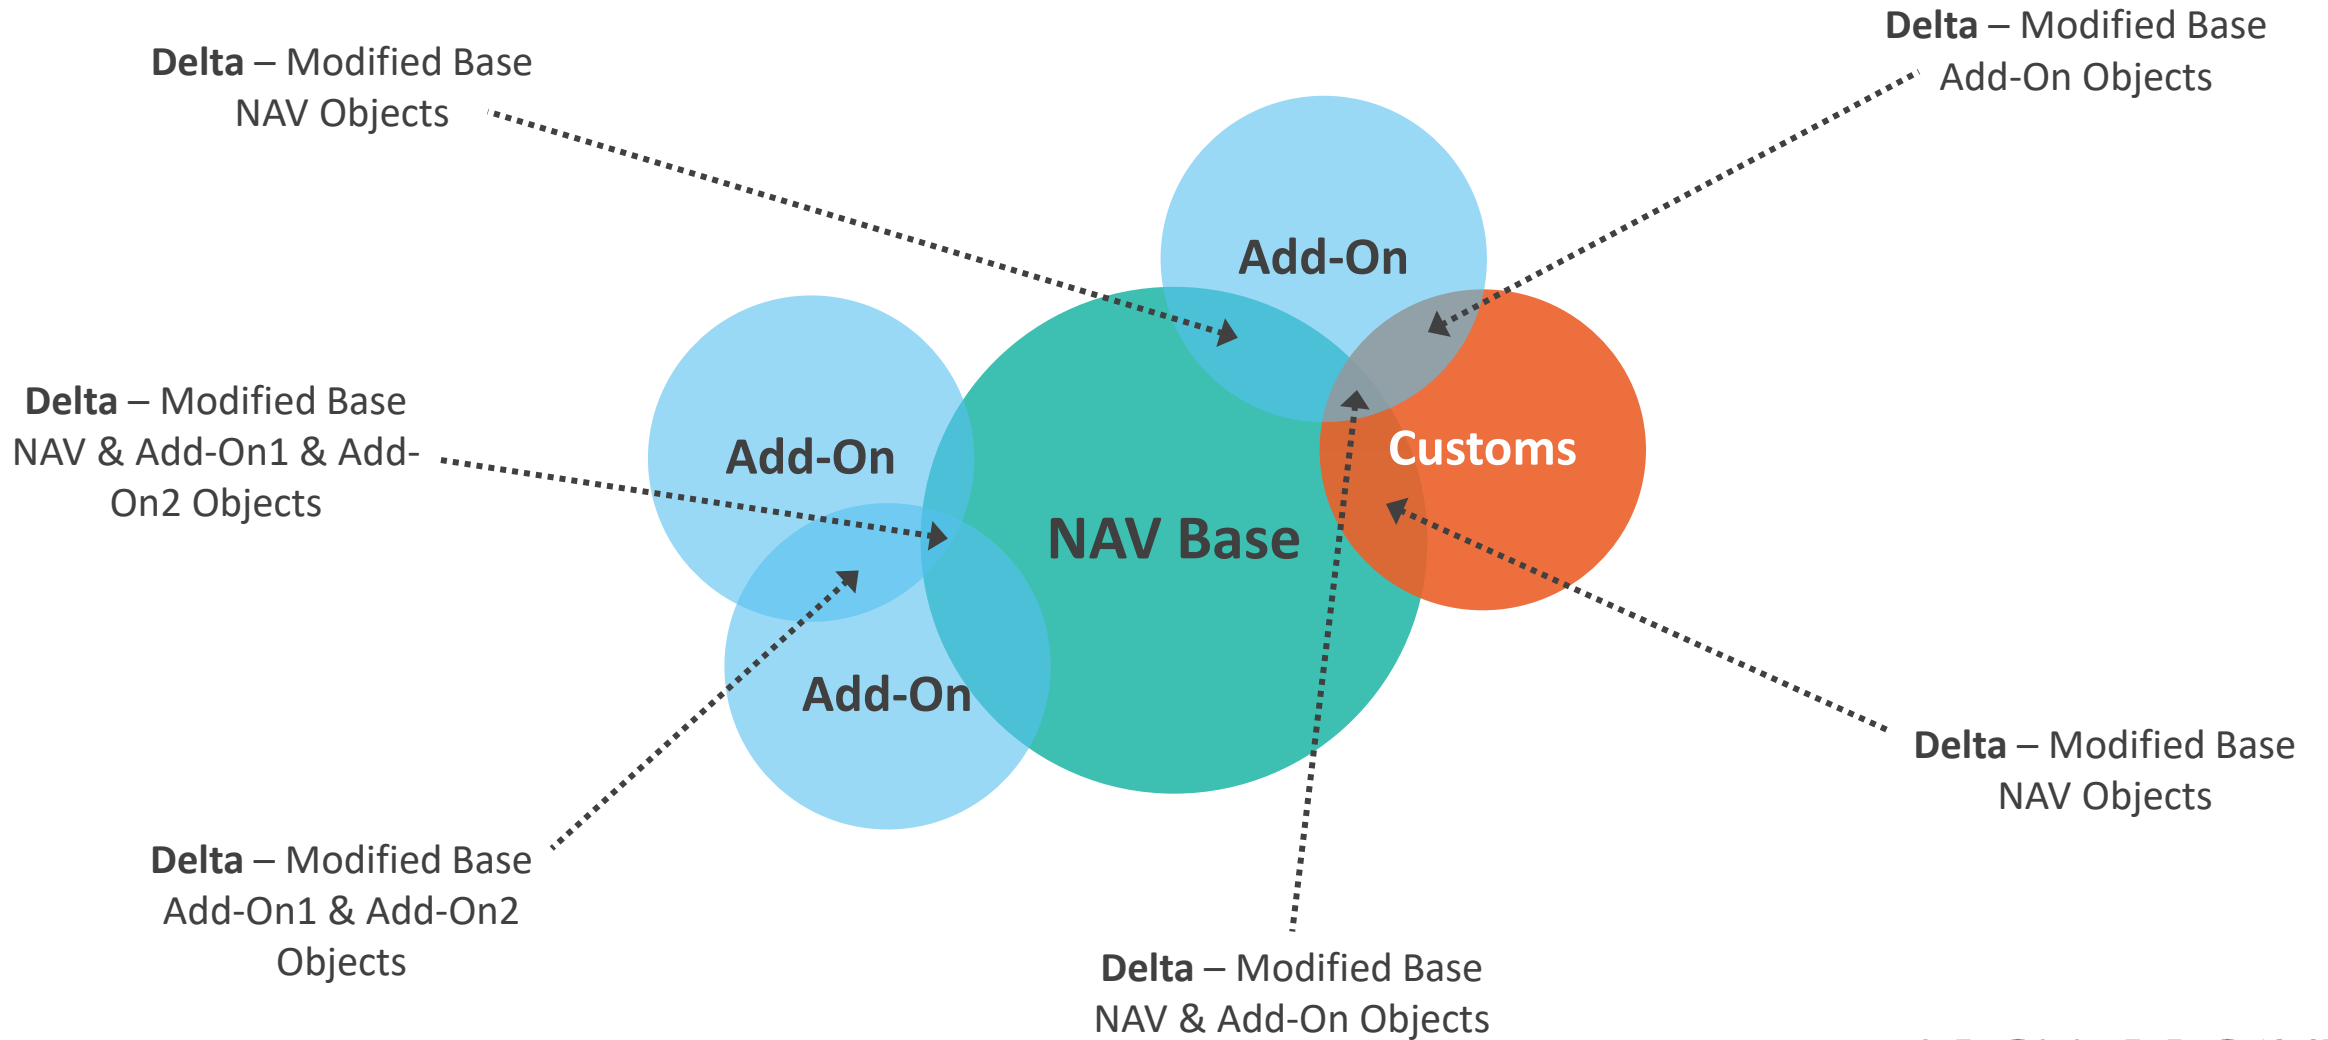

Dynamics NAV On-Premise to Dynamics 365  
Business Central Cloud Migration

2023

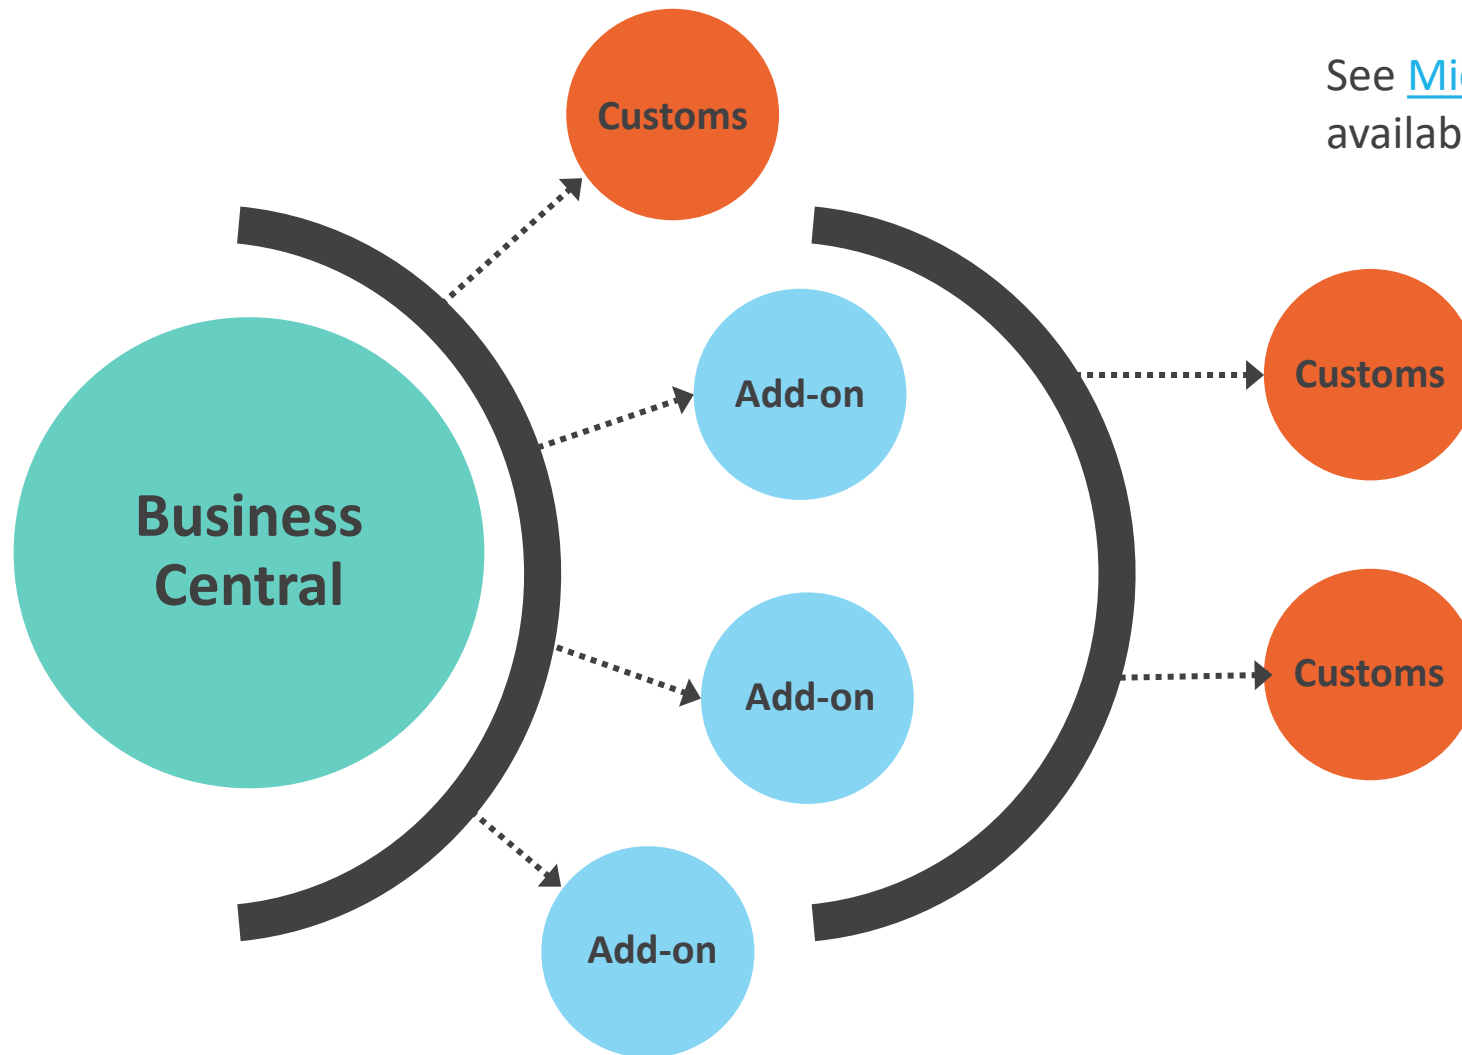

# Proven Migration Methodology

# Current Dynamics NAV Environment

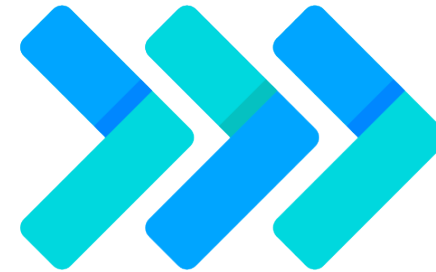

# Business Central Environment

See [Microsoft AppSource](https://microsoft.com/appsource) for access to available Extensions (apps) for BC.

# The Benefits of Getting Current

- ✓ **Supported** By Microsoft
- ✓ Access to **New Features**
- ✓ Leverage **Performance** Improvements
- ✓ **Security** Coverage

By migrating to Business Central's cloud version, you will **mitigate risk** and minimize **upgrade disruptions**.
