

CLOUD READINESS BRIEFING

Free meeting to help you determine your Cloud Migration Readiness

We will help you verify if you are well-prepared for migration

During the meeting, we will focus on the following issues:

1. What results do you expect from the migration and whether the cloud will meet them
2. What are your challenges and does the cloud have solutions to address them?
3. What does your team need to learn in order to perform the migration successfully?
4. What is the estimated cost of the services you need?
5. How Sii can help you with migration and what does the process look like on our part
