

A comprehensive Payroll Management Solution built on Microsoft Dynamics 365 F&O

eXperts Payroll Management stands as a payroll solution integrated with Dynamics 365, designed to assist the organization in optimizing their payroll workflows and enhancing payment precision. This comprehensive tool oversees the entirety of an organization's payroll procedures, spanning from leave and loan management. Payroll provides flexibility to businesses, aiding in cost reduction, offering insights into personnel expenses, and ensuring compliance with regulations—particularly crucial for managing a diverse workforce and navigating multiple jurisdictions. Beyond basic components such as earnings, benefits, and deductions, eXperts Payroll accommodates various calculations, including leave entitlements, overtime, gratuity, and more.

Features :

- 1) Claims Request/Reimbursements
- 2) Leaves (Applying Leaves/Leave Resumptions)
- 3) Overtime (Multiple types of Overtime)
- 4) Loans (Multiple types of Loans)
- 5) Processing Salaries
- 6) Salary Statements/Earning Statements
- 7) Generating Salary Journals
- 8) Generating SIF file
- 9) Running Payroll Related Reports
