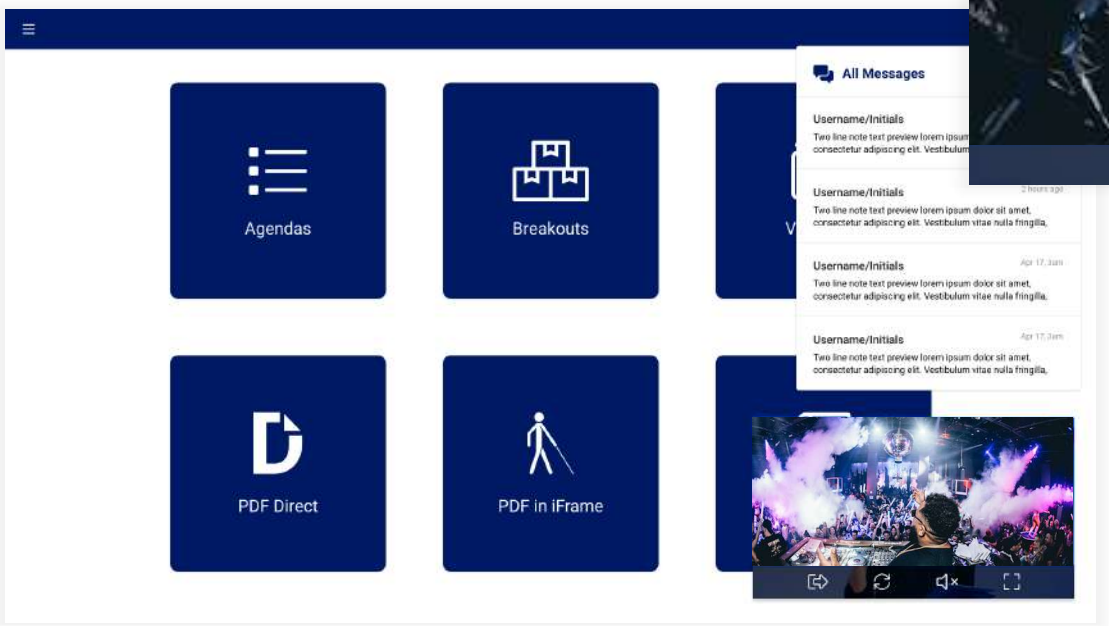
PARTY EVENING

DJ Night

Use a Virtual DJ. The last night where we will have a live stream and a party DJ. People can earn prizes through the week and get to request songs to the DJ.

The DJ can be Live Streamed through our Platform with a full Virtual Back set as if you were in a club. During this time the DJ can push out quizzes and vote for music ect. Also reveal the Winner in the Leader Board Race



After session virtual networking – Social events done virtually

We could make tiles for the end night. Each room is it's own universe.

Room 1: Prohibition bar with a video chat with a cocktail maker from home

Room 2: A video chat with a Wine tasting experience

Room 3: Cooking class – ready steady cook couples /family

Room 4: Meet the Leadership

Unlimited rooms of entertainment
