

RSM Shopify Accelerator for Dynamics 365 Business Central

Leverage Microsoft Dynamics 365 Business Central and Shopify to enable digital retail

THE POWER OF BEING UNDERSTOOD

A BUSINESS OUTCOME FOCUSED ACCELERATOR

Solution Overview

RSM introduces the Shopify Accelerator for Dynamics 365 Business Central. This solution is based on the functionality built into the platform itself and adds RSM's experience as a leading Microsoft Dynamics 365 implementer and Shopify Plus partner. The accelerator supports all features of the product and will continue to evolve as Microsoft adds functionality.

Who Should Consider This?

The Accelerator is tailor-made for companies that employ Microsoft Dynamics 365 Business Central as their ERP system and Shopify for their online sales channel. It also accommodates those who opt for Shopify POS for their physical retail operations. By adhering to the recommended architecture, businesses can swiftly establish a robust retail infrastructure and quickly realize a return on investment through increased sales and streamlined operational workflows.

Additional Features

Using the accelerator as the base, RSM can add functionality using the extension points provided by Microsoft to customize the solution to fit unique business requirements.
