Innovation Workshop: CCoE

Innovate

Art-of-the-possible
Explore the potential business impact of developing a Cloud Centre of Excellence (CCoE)

Relevancy
Discuss the specific challenges facing your business, so outcomes are relevant and actionable

Set aspirational goals
Identify what tomorrow looks like, to focus on today's priorities

Workshop structure

- Understanding cloud maturity and the key domains of a CCoE

- Review of your CCoE maturity report and identification of strengths and opportunities

- Building your CCoE roadmap: how to bridge the gap between your current and target state

What you can expect

- ✓ Insight and steer from an experienced cloud specialist

- ✓ Two-way discussion based on your specific business context

- ✓ Clarity on next steps

- ✓ The building blocks for a business case
