and flexibility via
microlearning

An AI-powered
personal learning
assistant

Implemented
gamification and social
bonding to drive
engagement

Available on
Microsoft Teams

How Intervy works?

Get personalized microlearning content every day

The screenshot shows a Microsoft Teams chat window. At the top, there is a search bar with the text "Search or type a command". Below the search bar, the chat header includes the name "Intervy" and tabs for "Chat", "Leaderboard", and "About". On the left side, there is a vertical navigation bar with icons for Activity, Chat, Teams, Calendar, Calls, Files, and Apps. The main chat area displays a message from "Intervy" with a small orange icon. The message content is as follows:

Time for Intervy quiz! 🎉
Cybersecurity
Question: You have received an email seen in the image. What would be your reaction?

Choose the answer you think is correct!
👉 You get 50 points for a correct guess and 10 points for an incorrect guess.

- Click on the link since the email seems legit
- Reply to the email asking for proof of legitimacy
- Nothing, I'll keep it in my inbox
- I'll report it as a phishing email

On the right side of the message, there is a preview of an email from "Dropbox <no-reply@dropboxmail.com> to me". The email content is:

Hi,
Your Dropbox is full and is no longer syncing files. New files added to your Dropbox folder won't be accessible on your other devices and won't be backed up online.
Upgrade your Dropbox today and get 1 TB (1,000 GB) of space and powerful sharing features.

For other ways to get more space, visit our [Get More Space](#) page.
Happy Dropboxing!
- The Dropbox Team
P.S. If you need the biggest plan we've got, check out [Dropbox for Business](#).

At the bottom of the chat window, there is a text input field and a toolbar with icons for emojis, GIFs, and other chat features.

Learn something new or strengthen existing knowledge

The screenshot shows a Microsoft Teams chat window for a channel named "Intervy". The top navigation bar includes a search bar with the text "Search or type a command" and a user profile icon. The left sidebar contains navigation icons for Activity, Chat, Teams, Calendar, Calls, Files, and Intery. The main chat area displays a quiz question with three radio button options: "Reply to the email asking for proof of legitimacy", "Nothing, I'll keep it in my inbox", and "I'll report it as a phishing email". The "Submit" button is located below the options. The quiz result shows that the selected answer is correct, with a congratulatory message: "Your guess 'I'll report it as a phishing email' is correct! 🎉 You are among the top 68% of colleagues who have solved this quiz." Below the message is a tip: "It's always important to be cautious and protect your personal information by not clicking on any links or entering personal information unless you are certain it's legitimate. In this example, the sender uses the domain name dropbokmail.com, which is close to the real one, to trick you." There are two buttons: "More information" and "Open leaderboard". At the bottom of the chat area, there is a text input field and a row of icons for attachments, emojis, GIFs, and other features.

Use gamification to increase engagement

Search or type a command

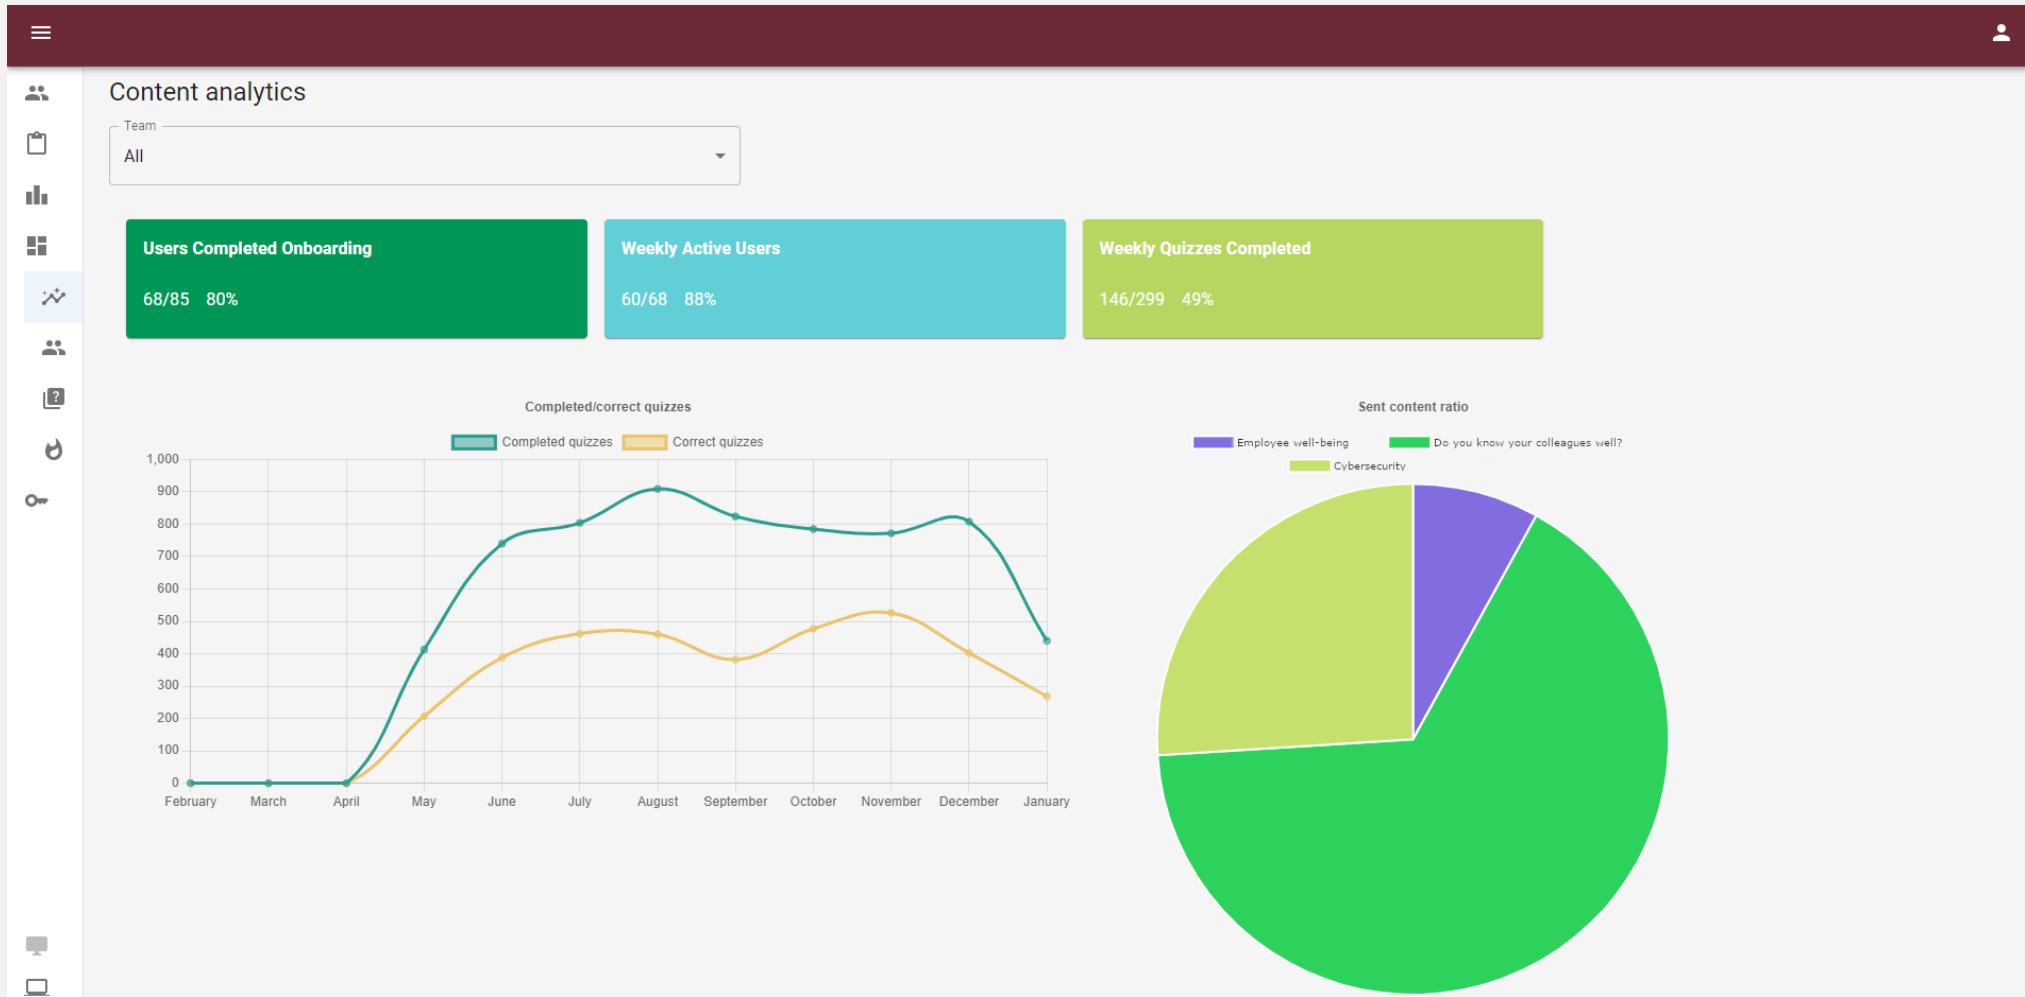

Intervy Chat **Leaderboard** About

Monthly leaderboard in team "dots."

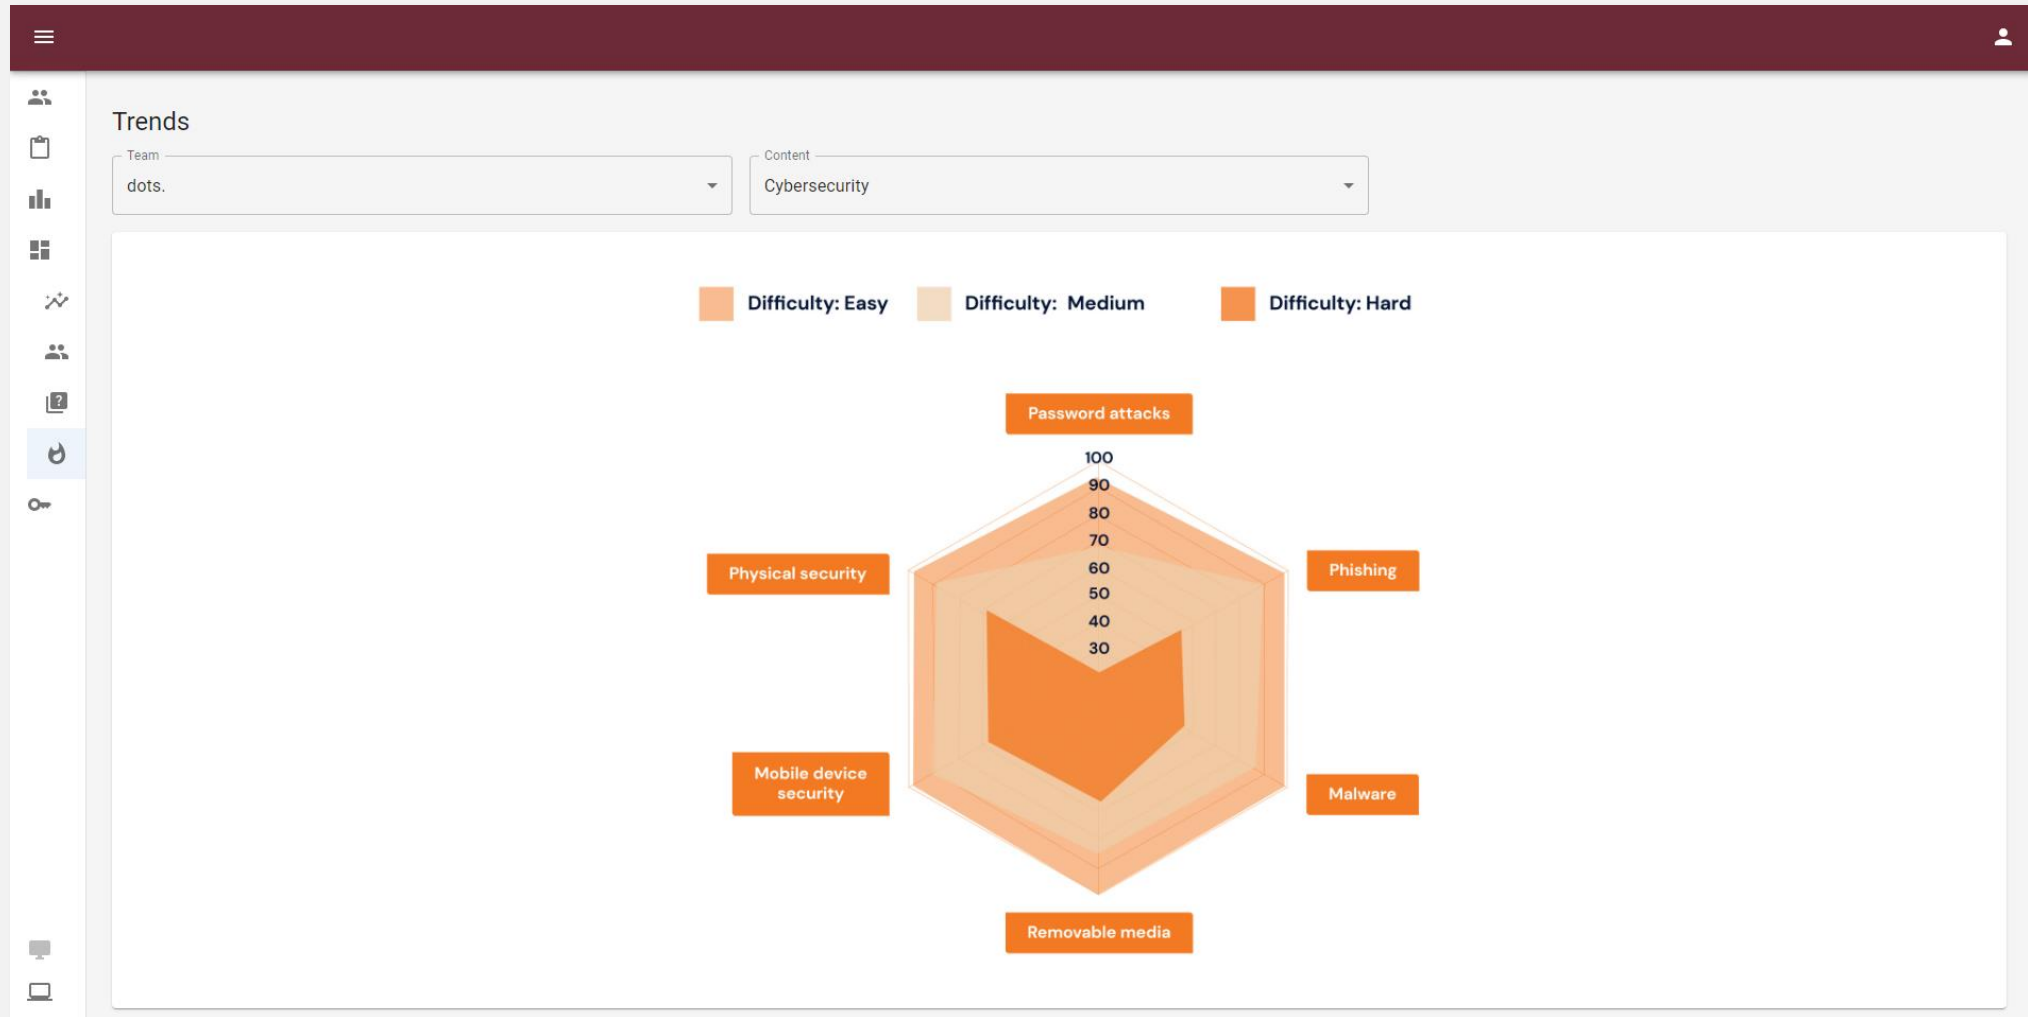

Date range: < Dec 1, 2022 - Dec 31, 2022 >
