Manage merged cells

Customize PU to your corporate brand for maximum efficiency

Ensure brand compliance and design consistency across all documents

Make your organization more productive by removing formatting tasks

01 | TEMPLATES

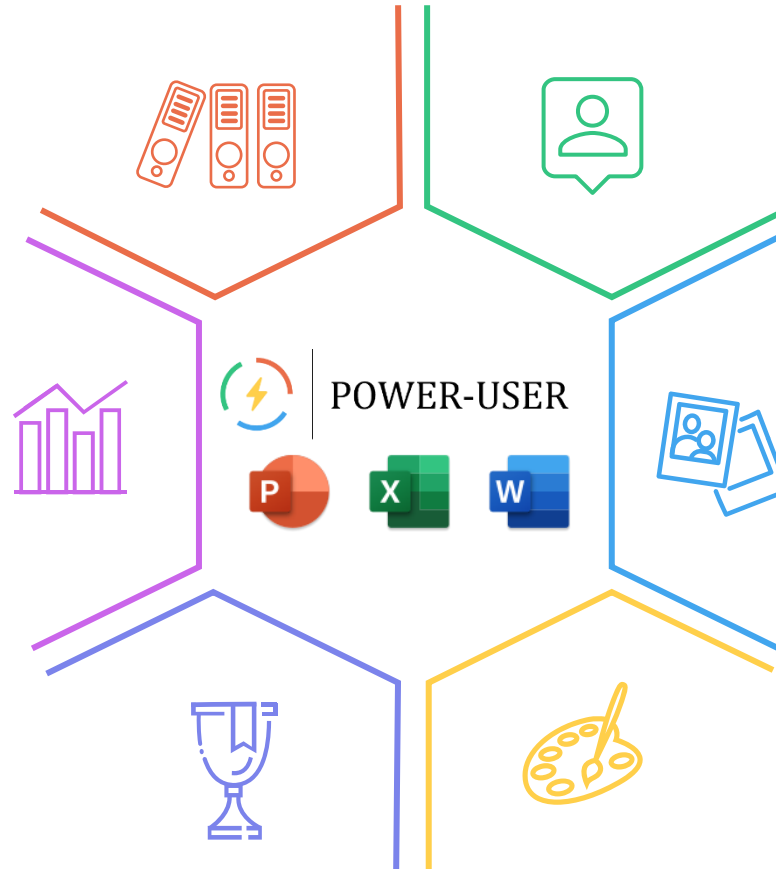

- Integrate your own templates (company pitch, key figures, CVs...).
- Convert all Power-user templates in your own colors and theme.

06 | CHARTS

- Convert all Power-user templates in your own colors and theme.
- Add your own chart templates.

05 | TOMBSTONES

Configure tombstones to let users browse and insert updated and branded references in their proposals.

02 | ICONS

Integrate your branded icons in the Library, strengthening brand compliance for all users.

03 | PICTURES

Integrate your corporate pictures in the Library to reduce copyright risk and match the specificities of your industry, brand and people.

04 | MASTER TEMPLATES

Make all content branded by default by setting up consistent Master Templates for PowerPoint, Excel & Word (colors, table and cell styles, etc.).

Your Account Manager will help you customize Power-user to your brand, at no additional charge
