E - Migrator

Zoom to Teams [Z2T]

E-Migrator – Zoom to Teams [Z2T]

New to Microsoft 365 and Microsoft Teams? Then, it is time to migrate to your meeting tool, but are you encountering issues such as:

- Lack of complete knowledge of the # of Zoom Meetings scheduled

- Who is scheduling them

- How to migrate to MS Teams

- Migration governance

- How to avoid shadow IT

- How to achieve quick ROI

Synergy's E-Migrator is a new, and unique developed solution, where in 5 simple steps your organization can leverage a seamless migration from one platform to another, fast, while reducing cost and enhancing time management for managers, administrators and in complete governance of the process.
