

SOFTMED
TECHNOLOGIES LLP

healthtech touching lives

Software Platform Modernizing Radiology Imaging Workflows.

www.softmedtech.com

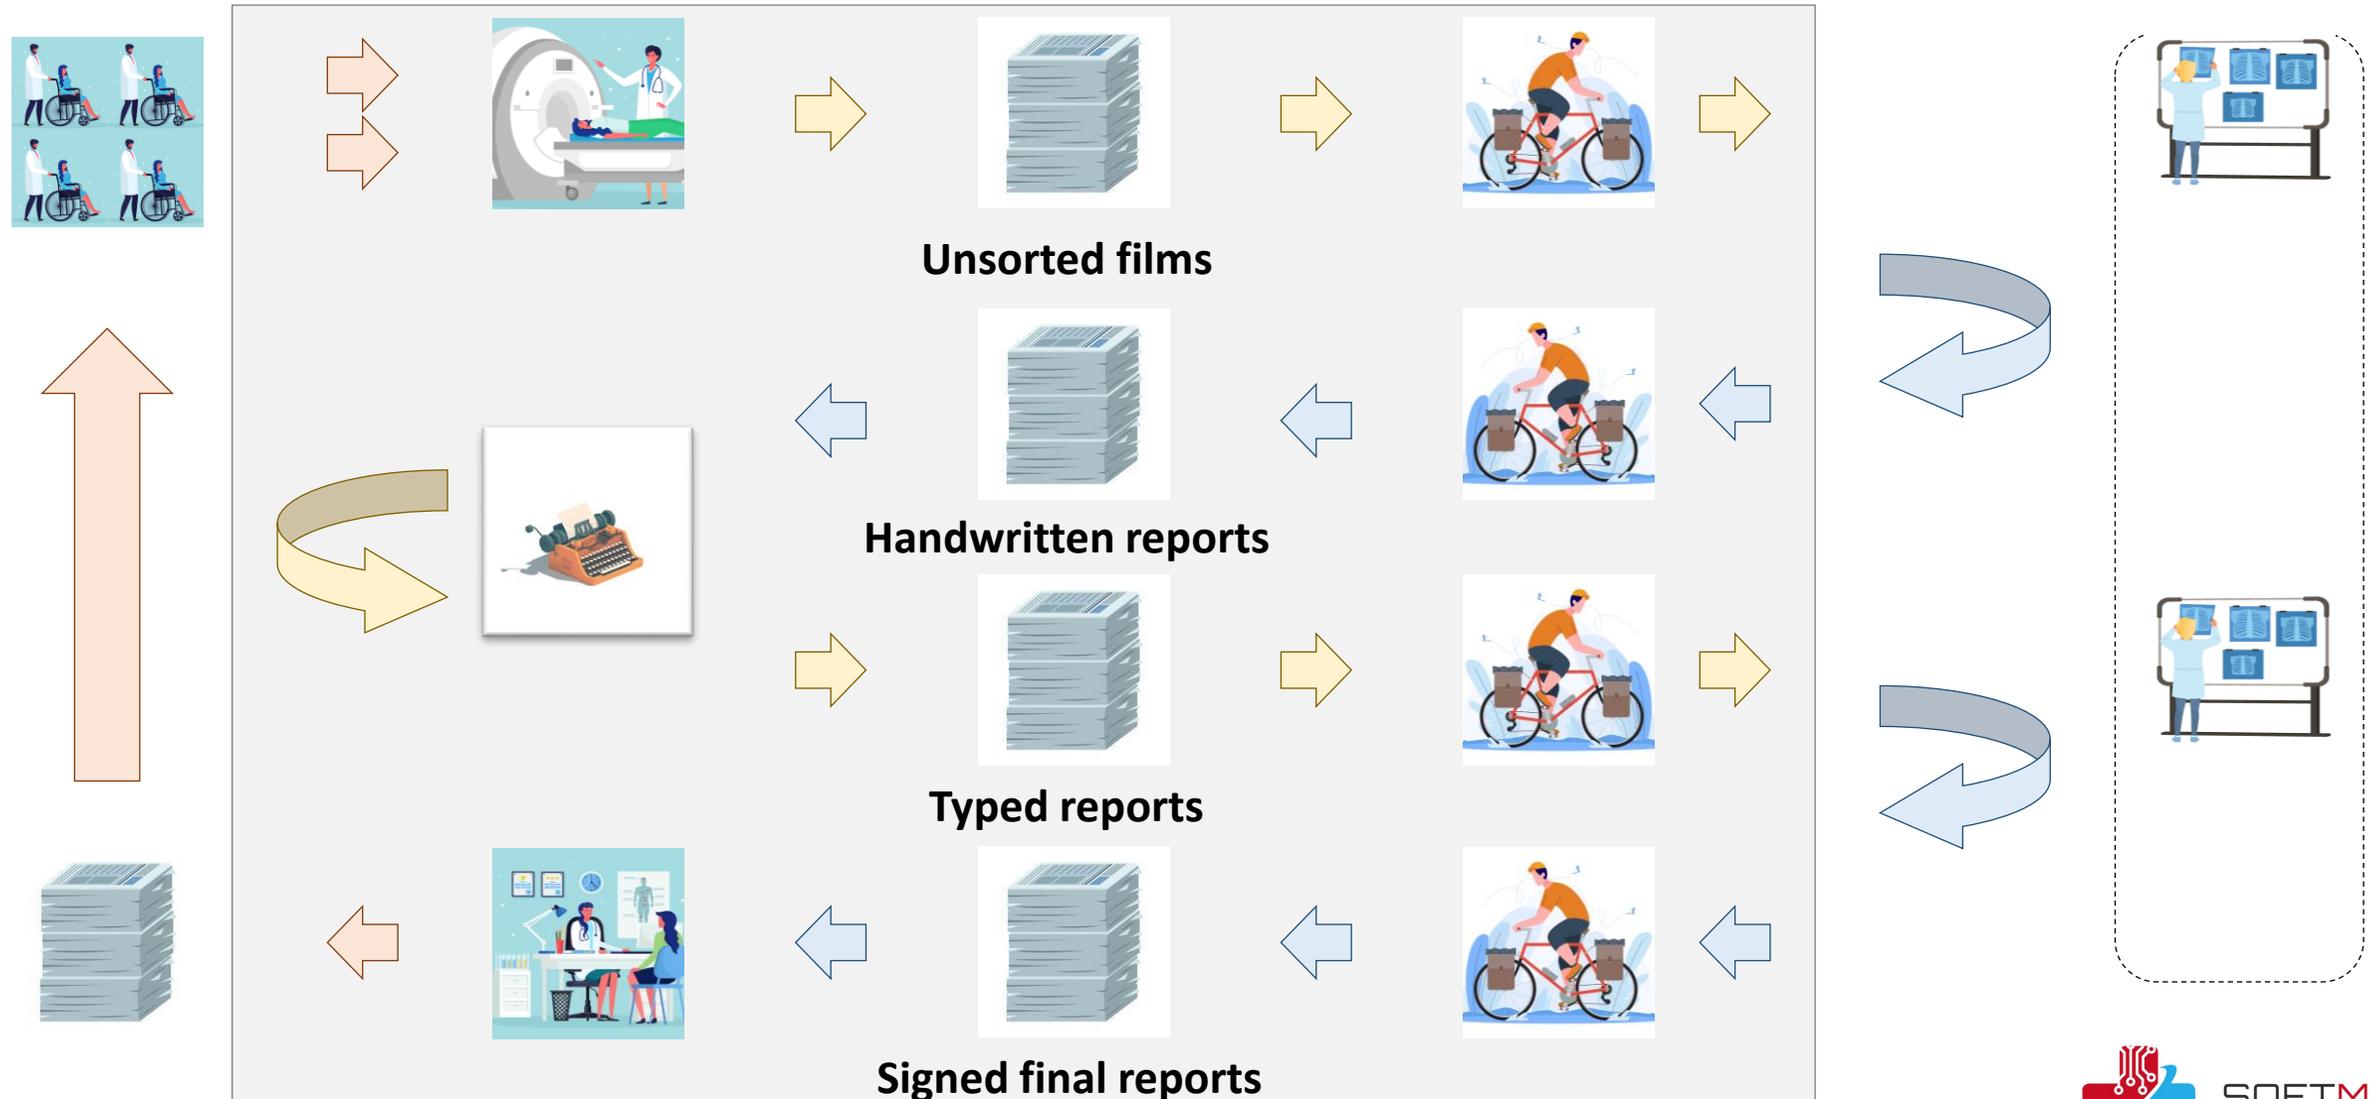

In India, the diagnostic radiology workflow is inefficient

**4-day
turnaround**

**Compared to 1 hour
in the US**

The existing process is outdated, with multiple manual hand-offs that delay patient reporting

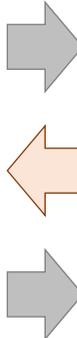

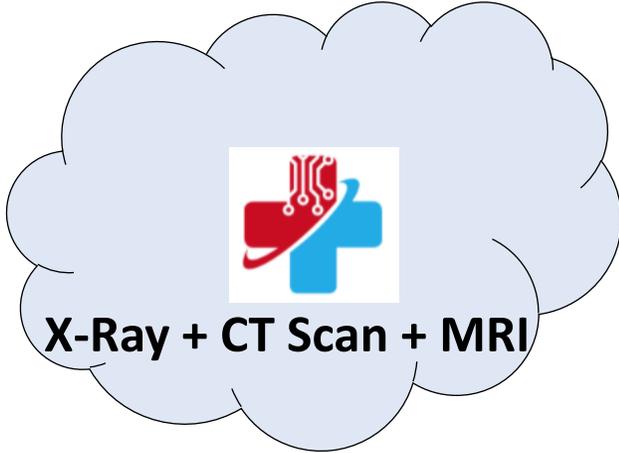

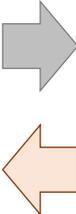

Softmed solves this problem by connecting diagnostic facilities with radiologists

Patient

Diagnostic Center

Our Solution

Radiologists

Softmed Customer

Diagnostic Center
Increases **efficiency** and **credibility** while **reducing cost**

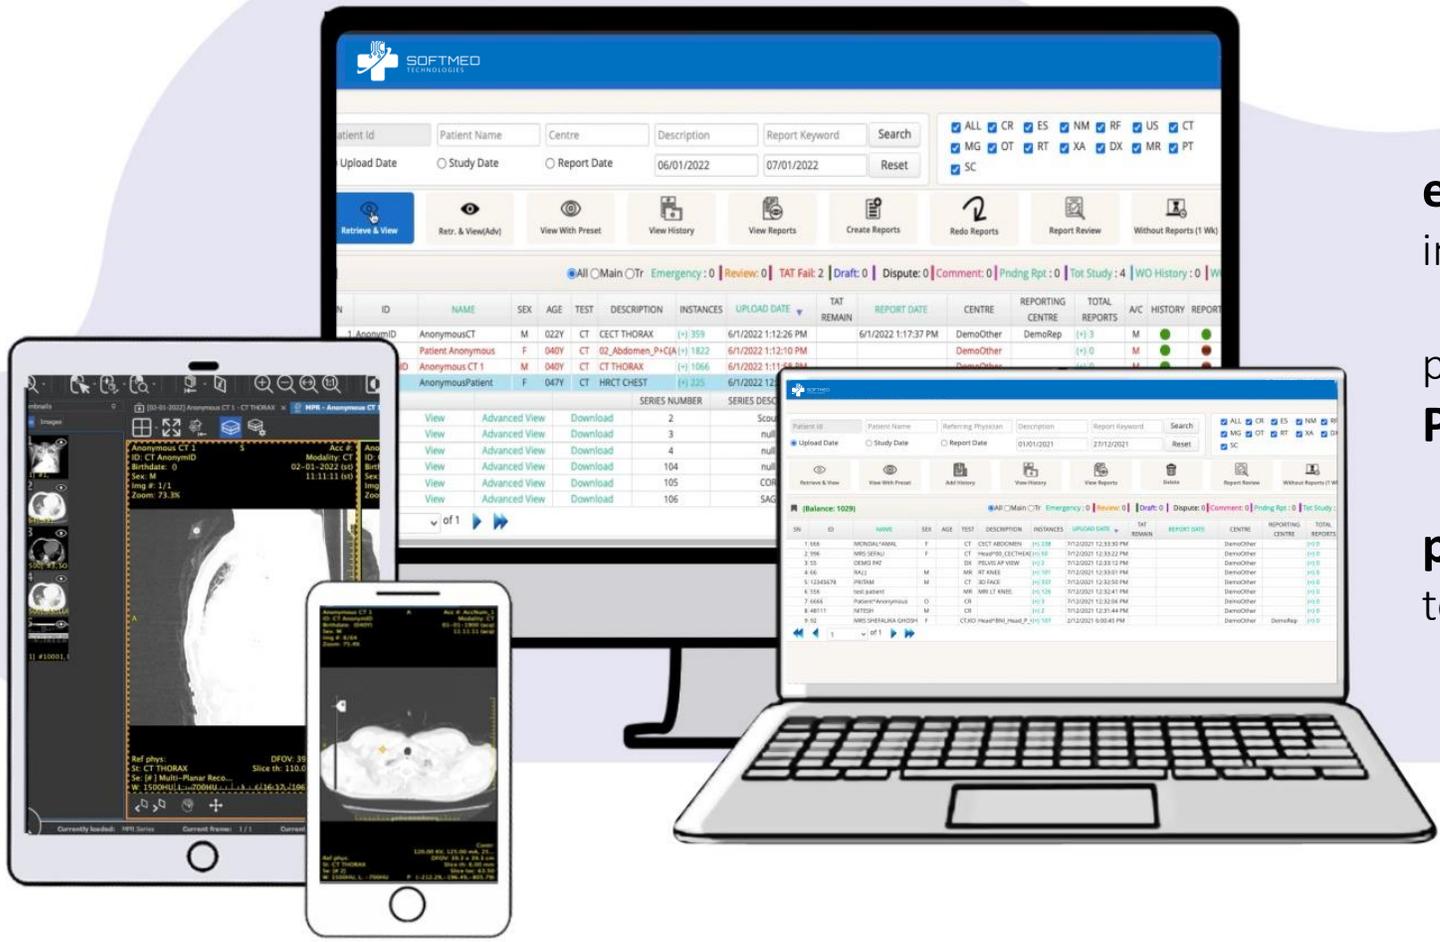

Patient
Gets reports from qualified radiologist in **1 to 24 hours**

Radiologist
Reads **more scans** & makes **more money** without added cost

We have a successful solution used by 200 Customers

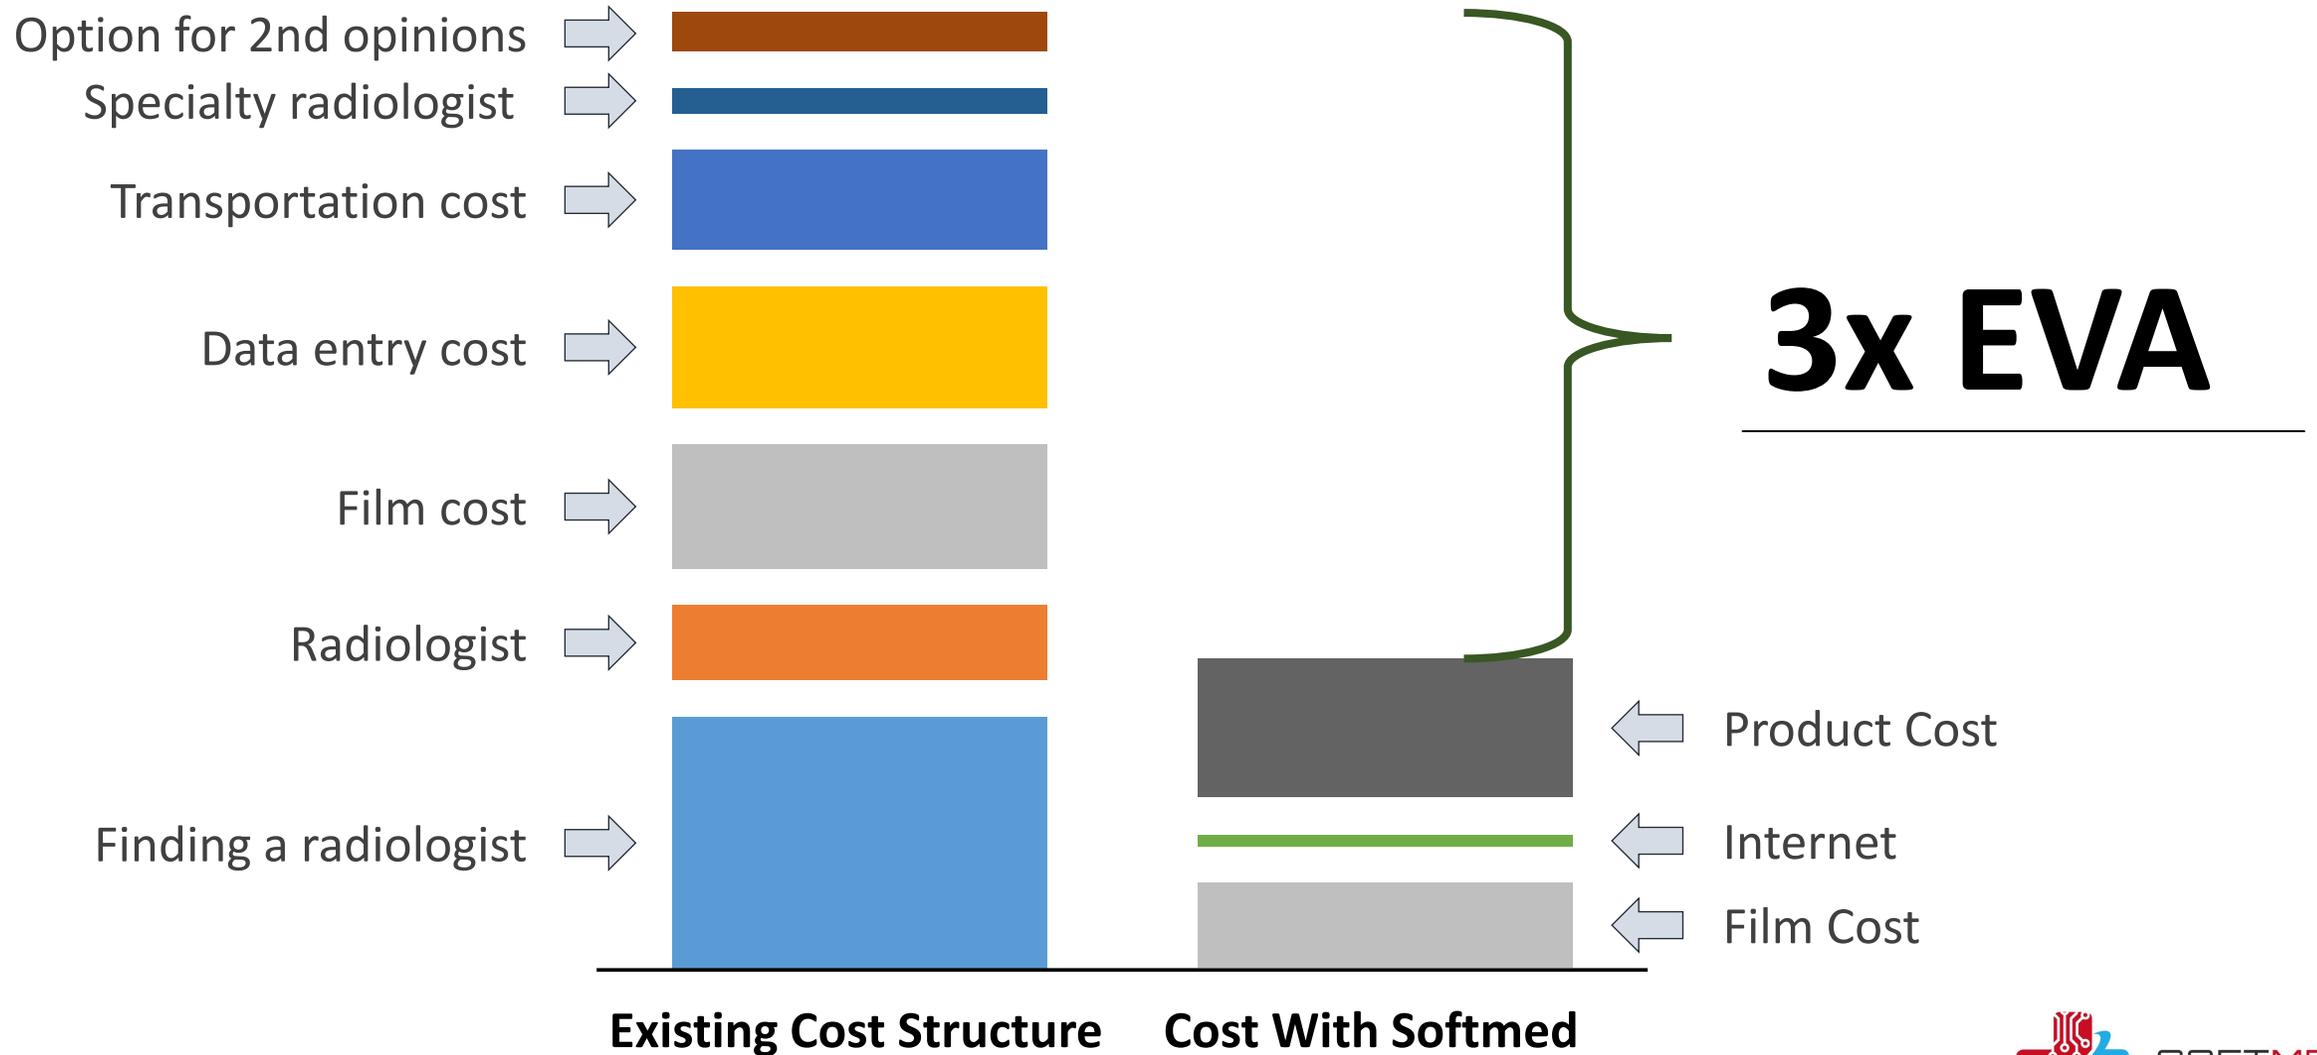

end-to-end platform for remote radiology image viewing, reporting and archiving

platform runs on any device including **PCs, tablets, and smartphones**

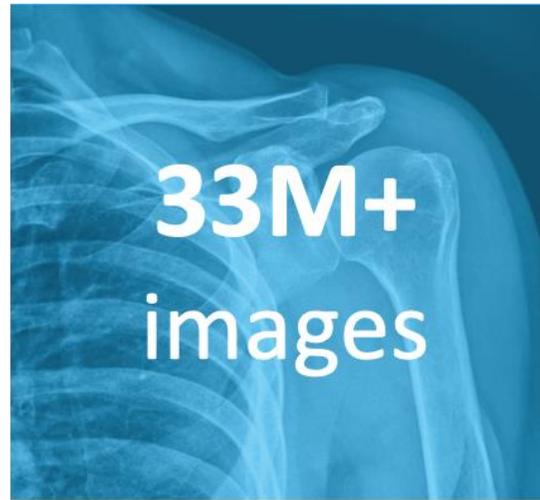

proprietary algorithm allows connection to DICOM® and non-DICOM® imaging equipment

Customers capture at least 3x efficiency gains by using Softmed's product

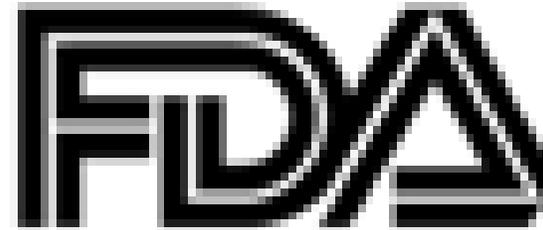

Our Credentials

**200 +
Healthcare
Facilities**

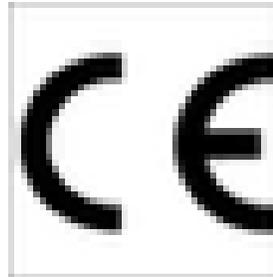

**73
radiologists**

Team

Key Members:

Arindam Bhattacharya – CEO

A serial entrepreneur who has successfully founded product development companies offering innovative solutions in healthcare. He brings 17 years of health tech experience and deep networks with thorough knowledge of multiple healthcare systems, medical imaging techniques, related workflows, industry regulations and processes. He has a solid network within the Indian public health systems through which he successfully established Softmed's collaboration with central government academic research institutes and executed live collaborative projects with government health system

Siddhartha Saha– CTO

Sid holds a Masters in Computer Science. He brings 20 years of domain experience in PACS technology & imaging protocols. He has deep knowledge and expertise on healthcare data interoperability as it relates to HL7/FHIR standards. He oversaw multiple medical imaging implementations and has been successfully delivering to Softmed's customers' satisfaction

Janardan Nandi – VP Sales

20+ years of experience in direct Sales and Marketing of Healthcare, Telecommunication, Water Purification and Computer Education solutions. A champion sales man with excellent customer acquisition skills.

Dr. Purabi Mandal

MD Radio-diagnosis,
PGIMER, Chandigarh

35+ years' experience in CT
& MRI imaging

Served as Chief Radiologist
at multiple imaging centers
across India

Dr. Professor Kamal Oswal

MD Radio-diagnosis

Retd. Professor &
Department Head, Dept. Of
Radiology, VIMS Kolkata

Workshop designer for GE
Medical

Advisors:

SOFTMED's other Team Members includes a combination of different experts:

Software Engineers

Electronics Engineers

Biomedical Engineers

Medical Professionals

Telecommunication Engineers

Business Managers

Radiologists

Chartered Accountants

Legal Advisors

Pricing & Plans – PACS on Cloud

Features	Basic	Enterprise	Premium
End to End PACS Platform	Y	Y	Y
Radiology Reporting Engine	Y	Y	Y
ZFP Viewer	Y	Y	Y
Advanced 3D Viewer		Y	Y
Online Cloud Storage	1 TB	5 TB	20 TB
Archival Storage Option	Rs.10 per GB	Rs.10 per GB	Rs.10 per GB
MS Word Integration			Y
Medical Speech Recognition Support*			Y
HIS / EMR Integration		Y	Y
Integration with local Modalities for Automated Order Entry		Y	Y
Concurrent Users	5	10	25
Support	All Days	All Days	All Days
Onboarding Price - One Time	₹35,000.00	₹150,000.00	₹550,000.00
Usage Charges Per Month	₹7,500.00	₹22,500.00	₹75,000.00

*at extra cost

** GST@18% extra for all prices.

Add-Ons			
Radiology Workstation with 21" Medical Grade Monitor	₹180,000.00	₹180,000.00	₹180,000.00
