

# Prepaid Change Support

**Prepaid Change Support provides you with the flexibility to tailor change management activities, guided by the advice of our Change & Transformation team. This option provides you with the flexibility to adjust the approach throughout the journey of a program, allowing you to guide change management activity on a fortnightly basis, and switch tactics as we learn more about the people impacts of the change.**

Our team of experienced adoption & change management practitioners will work with you to design a timeline of activities that meet the needs of your team throughout a project or change. We will work with you to plan & deliver change activities to build awareness, knowledge & capability and sustain new ways of working.

## Expected outcomes

- Change discovery at the outset of an engagement, to determine priority activities in collaboration with your team
- Planning & delivery for a range of change management activities, such as communications, stakeholder engagement, training, resource development, and digital design
- Change management advisory support & change maturity uplift
- Weekly visibility of investment utilisation

### Flexibility to tailor change and adoption activities to address your needs

Our team of experienced adoption & change management practitioners will work with you to design a timeline of activities that meet the needs of your team throughout a project or change.
