

Atos M365 Collaboration VIVA

Create a thriving culture with engaged employees and inspiring leaders

The Atos logo is displayed in a large, blue, stylized font within a white rectangular box with a thin black border.

Atos M365 Collaboration VIVA is a comprehensive way to empower HR, IT and managers to improve the employee experience in terms of culture, knowledge, skills, user performance/results and well-being. The service offers:

- Guidance to gather business drivers for best practice user and group behavior
- Support to consider network, device, CO2, and diversity user impact
- Enablement to set objectives and build automatic knowledge gathering
- Support to build communications, onboarding expertise and training content
- Appropriate configuration and management of employee experience reports
- User adoption assistance for changing user behavior and management guidance
- Monitor user experience level agreements (XLAs) to identify improvements
- Ongoing datapoint business analysis to capture changes
- Ongoing data management to ensure data security and privacy

The Microsoft logo, consisting of four colored squares (red, green, blue, yellow) and the word "Microsoft" in a grey sans-serif font, is displayed within a white rectangular box with a thin black border.
