

## TATA COMMUNICATIONS GLOBALRAPIDE

### MAKE THE RIGHT CALL

#### SUCCESSFUL COLLABORATION & MIGRATION WITH TATA COMMUNICATIONS GLOBALRAPIDE

Delivering unified communications today can be frustrated by multiple complex platforms, leading to inconsistent user experiences and lack of accountability. The focus has become tactical, rather than strategic, while limited visibility and control leads to sub-optimal service levels.

Tata Communications GlobalRapide for unified communications can help enterprises address global UCaaS deployments at scale, leveraging current investments while delivering the latest technologies.

#### MEETING YOUR COLLABORATION NEEDS END-TO-END

Tata Communications Globalrapide is an end-to-end managed service that allows you to unlock the full potential of your collaboration needs for better control & visibility, faster deployment & time to market, cost efficiency and efficient management of the UC environment.

Tata Communications has the global connectivity, telecom experience, local expertise, advance security, and regulatory compliance to bridge the gap and deliver fully compliant unified communications.

So, you're primed to move forward with confidence in our digital-first world.

#### Tata Communications GlobalRapide

**Secure Managed UCaaS** offering through end-to-end managed experience, automation, and self-care capabilities

**Advanced monitoring experience** through best-in-class single pane of glass visibility into usage, performance, quality, and troubleshooting

**Simplified user experience** for increased speed to deploy and market, streamlined operations, and reduced spend management platforms or skilled resources

**Enhanced interoperability** with best-in-class meeting room experience with multi country end point devices & room systems, and partnerships with top cloud video interoperability providers

**Addresses security & regulatory compliance** with a comprehensive AI-enabled Fraud-Prevention-as-a-Service and regulatory approved services so that you can focus on your core business

**Cloud Enablement** to advance your digital transformation journey with a cloud-first strategy

### Making life easier for your team

Tata Communications GlobalRapide delivers a fully managed end-to-end unified communications experience.
