# You get the benefit...

Our proven approach combines our experience, capability and connections to take you from

**AI curious** to **AI capable** at pace.

## AI curious

### Harness Curiosity

**AI Leadership Briefing**  
Develop shared understanding

**Open AI Workshops**  
Set Vision and use-cases

**AI hackathon**  
Break AI inertia by taking action

Our hackathon with Microsoft for the Retail Trust explored how AI and GenAI could improve staff productivity and positive outcomes for retail staff

## AI confident

### Grow Confidence

**AI Proof of Value**  
Deliver Value at pace

**AI Maturity Assessment**  
Provide clarity and actions

Our 6-week proof of value for a magic circle law firm identified £0.5m savings per year whilst improving service quality and staff satisfaction

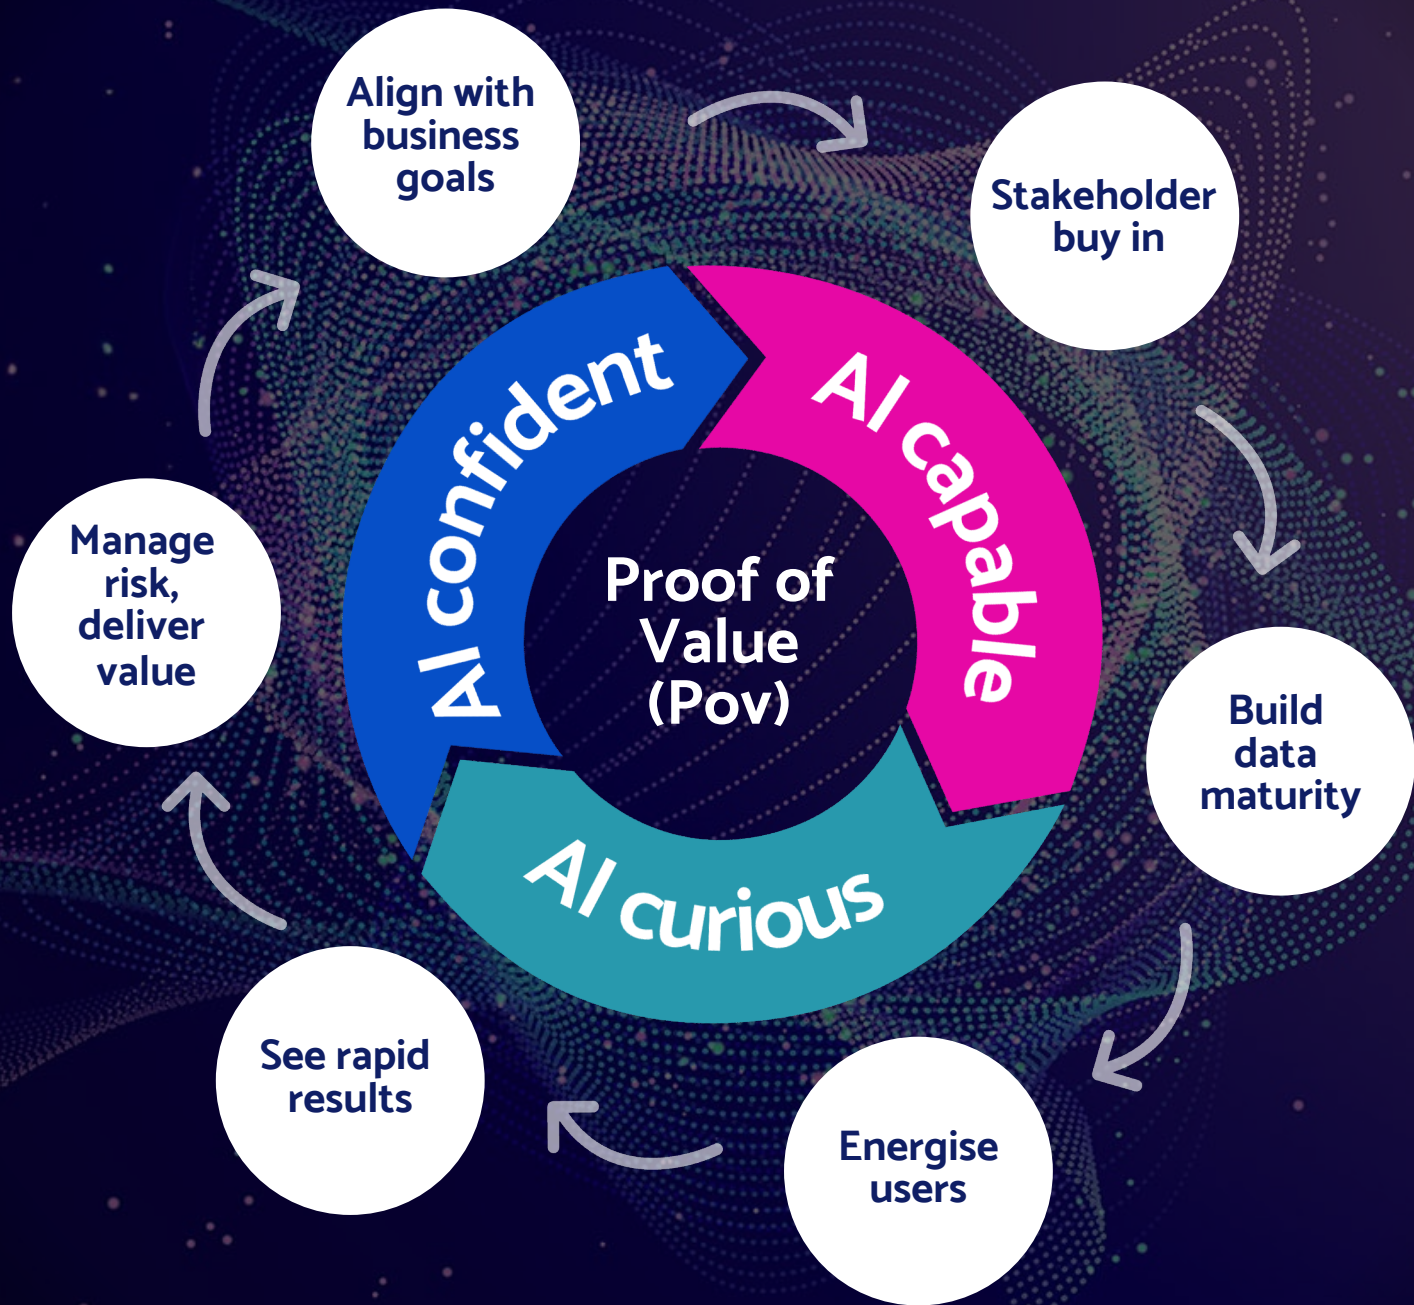

## AI capable

### Build Capability

**AI Op-model design**  
Design the conditions for AI to Flourish

**Data & AI capability development**  
Extend and enhance in-house expertise

We helped a large retail bank build its data and AI expertise across people, process and technology capabilities

# BJSS will help you to

harness your **curiosity** ,  
grow your **confidence**
