Innovation in Education

“ Our industry does not respect tradition, it only respects **Innovation** ”

-Satya Nadella, CEO of Microsoft

## Innovation in Education

With a sole purpose of empowering educational institutes and visionaries; iUniversity provides a complete platform for delivering an exceptional learning experience and delivers certifications, courses and learning tracks that are approved by Microsoft.

iUniversity is built on top of the widely adopted OPENedX Engine, with a large community of educators and entrepreneurs leading its innovation and success
