

Our program curriculum builds complete math mastery for Kindergarten through 6th grade. The online collaboration enables students to help each other learn through and individualized team-based math game.

1

David wants to create the L-shaped desk shown. He decides to buy two rectangular desks and put them together.

- Drag numbers into the boxes to show the missing dimensions.
- Use the Connect Line tool to draw a line dividing the diagram into two desks. Make each desk 5 feet by 2 feet.
- What is the total area of the L-shaped desk? Drag numbers into the box to show your answer.

JumpStart Academy Math

is an online collaborative kindergarten through 6th grade math program.

JumpStart Academy Math's intense engagement leads to higher achievement.

"JSA Math absolutely impacts my students' achievement in math. Every single student in my class had a growth metric of at least one year...or above."
- Mrs. Wardell,
2nd Grade Teacher

Increase rigor & engagement in the classroom

Team-based & Individualized

Online collaborative kindergarten through 6th grade math program where students help each other learn through an adaptive team-based game.

Assessment Prep

Questions resembling state testing with the benefit of complete scaffolding.

Deep Mathematical Mastery

Builds complete kindergarten through 6th grade State Standard math mastery.

Transform the teaching of Mathematics

Mathematics Knowledge for Teaching

Work collaboratively to improve teachers' content and pedagogical knowledge in Mathematics.

System-wide Impact

Lasting system-wide change requires professional learning at the district, site and classroom levels.

Training Options

Personalized coaching in the classroom so you don't need to pull-out teachers.

"I knew that JSA Math would always be an easy fit and a great digital component for class. For me to move the majority of my class two years in a year... I was extremely satisfied with our results."

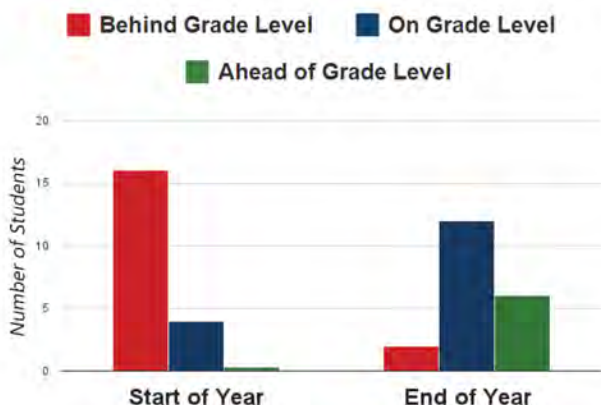

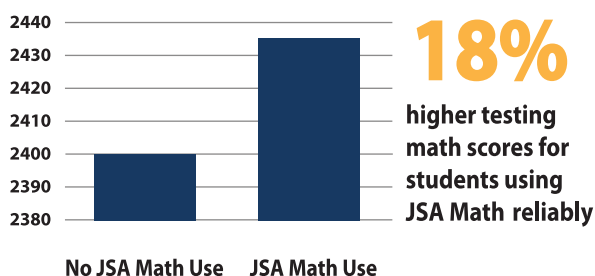

- Mr. Hampton, 5th Grade Teacher

Proven Results

Study shows JumpStart Academy Math students have 18% higher testing scores!
