

Showcase benefits and perks to help your people thrive.

Benefits and perks are great...

...but 60% of your people can't find the information, and a staggering 80% underestimate their compensation.

perkforce fixes that!

80% of your people underestimate their compensation

Show your support for the well-being of your people and their families.

Delight your people with relevant and compelling community perks.

Digitalisation of benefits and perks effectively streamlines onboarding.

Support local businesses and your community.

Insights to help you understand and maximise your Employee Value Proposition (EVP).

Benefits and perks being understood means admin workload is reduced.

Suite 2.03, Western Gateway Building, UCC, Western Road, Mardyke, Cork, Ireland
