The dashboard displays a sidebar with navigation options: Home, Courses (21), Tests (46), Surveys (0), and Awards (0). The main area is titled "Assigned Tests" and shows a grid of test cards. Each card includes the test name, number of questions, time allowed, and assignment date. The tests shown are:

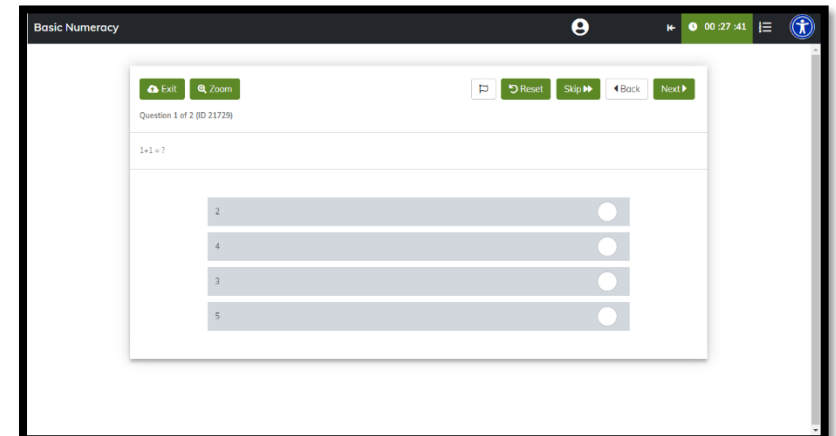

- Coding in Minecraft Capstone...**: 1 question, 50 minutes allowed, assigned 07/30/2020.
- Basic Numeracy**: 2 questions, 30 minutes allowed, assigned 08/06/2020.
- Word 2016 Expert (77-726) Session ...**: 15 questions, 0 minutes allowed, assigned 10/24/2019.
- BCS Level 4 Award in Network Sampl...**: 40 questions, 0 minutes allowed, assigned 11/06/2019.
- Basic Numeracy v3**: 5 questions, 30 minutes allowed, assigned 02/23/2020.
- Coding in Minecraft Capstone...**: 71 questions, 60 minutes allowed, assigned 03/16/2020.

The "Proctor Information" modal is displayed over a "Basic Numeracy" test page. It contains fields for "Username" and "Password", along with "Confirm" and "Close" buttons. Below the modal, the test page shows instructions: "TIME: You have 30 minutes to complete the test.", "PASSING SCORE: You need to get a score of 70% or higher to pass", "RETAKES: If you don't pass the test or even want to improve your score, you'll have 1 attempts to retake it", and "PROCTORING: This test needs an authorization by a proctor". A "Start" button is visible at the bottom.

The question interface for "Question 3 of 2 (ID 21730)". The question text is "The object at the center of the solar system is called what?". There is a text input field below the question. Navigation buttons include "Exit", "Zoom", "Reset", "Skip", "Back", and "Next". A timer shows 00:29:34.

The question interface for "Question 1 of 2 (ID 21729)". The question text is "1+1 = ?". There are four multiple-choice options: 2, 4, 3, and 5. Navigation buttons include "Exit", "Zoom", "Reset", "Skip", "Back", and "Next". A timer shows 00:27:41.
