DEMO

Let's watch a Demo!

A screenshot of a web browser displaying the Smart Governance application. The browser's address bar shows the URL "http://bmdemo.cavedigital.com/Pages/default.aspx". The page header includes the "HIPSTER CORP" logo, which consists of a blue square with a white pickaxe icon and the text "HIPSTER CORP" in a black, handwritten-style font. To the right of the logo are navigation links for "MEETINGS", "PROPOSALS", and "MINUTES", along with a search bar labeled "Search this site". The main content area is titled "SMART GOVERNANCE" and contains a paragraph describing the system's purpose: "SMART GOVERNANCE supports the business processes for hierarchical decision making and board/council meetings, allowing for greater agility in the decision-making process while eliminating the physical paper clutter and the logistics and resource consumption associated with it." Below this text are links for "CREATE PROPOSAL", "ALL PROPOSALS", and "MEETINGS CALENDAR". A "Scheduled Meetings" section features a date "21 | Mar 2018" and a meeting entry: "11th Meeting Extraordinary 2018 - Hipster Corp Senior Leadership Team (Wednesday, March 21, 2018)", with links for "VIEW MEETING" and "PARTICIPANTS". On the right side of the page, there is a circular profile picture of a man, a notification badge with the number "8", and a large "6" with a clipboard icon and the text "TASK(S)". The footer of the page shows "Waiting for bmdemo.cavedigital.com..." on the left and "Extraordinary 2018 - Hipster Corp Senior" on the right.
