PayGen

MAKING IT EASY
## TO BILL CUSTOMERS AND RECEIVE PAYMENTS

EASY FOR YOUR BUSINESS

- Billers can configure and customize their customers bill payment experience with seamless integration that accelerates implementation timelines.

- Leveraging **Microsoft Azure's** cloud computing services for security, compliance and resiliency, our leading-edge architecture delivers the data protection and high availability that billers require.
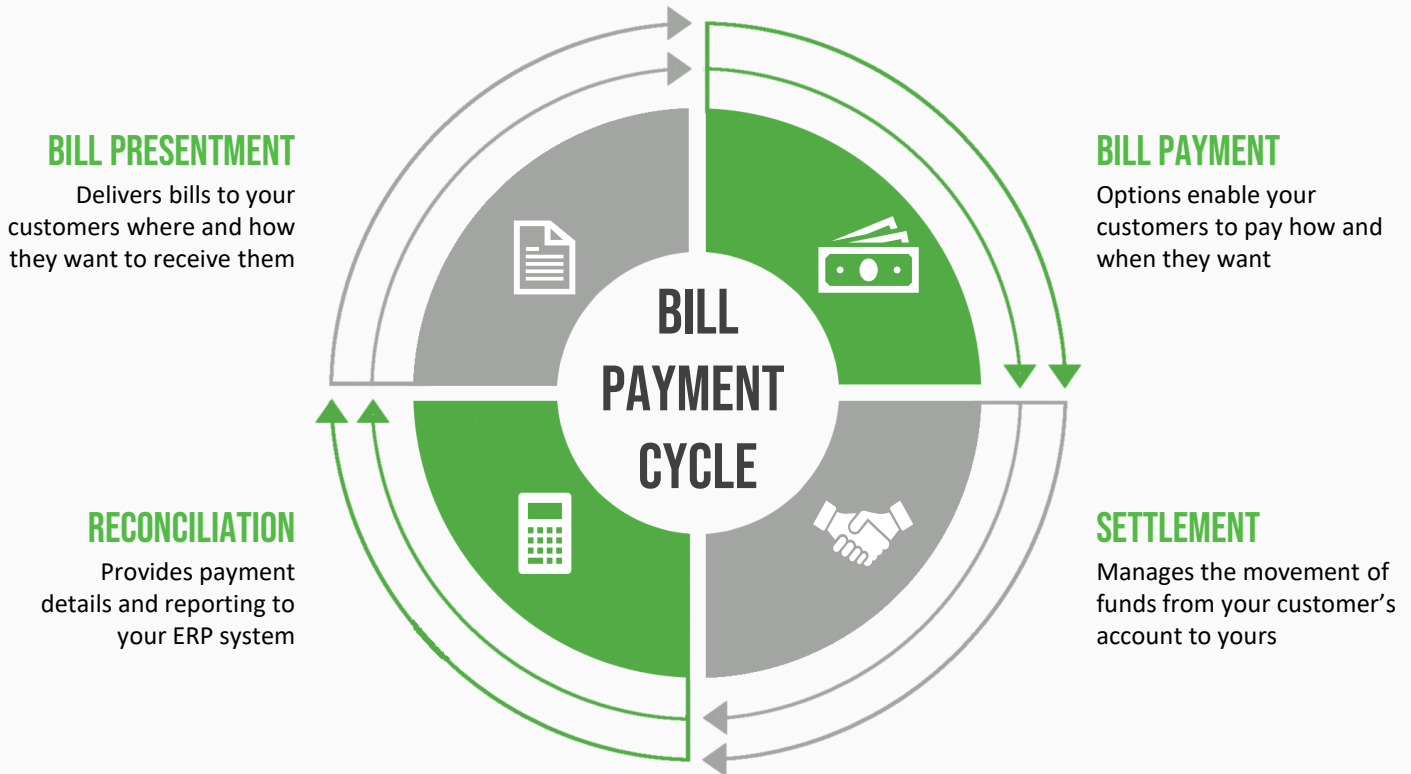

EASY FOR YOUR CUSTOMERS

- **Anytime. Anywhere.** Multiple payment channels let your customers pay where and when they choose – online, mobile and phone.

- Multiple payment choices support consumers preferences for ACH, cards, digital wallets, RTP® and FedNow℠. Real-time notifications and alerts keep your customers informed of bills due and payments processed.
