

FastTracktoValue™ services and solutions for Icertis Contract Management (ICM)

CloudMoyo is a premier services partner for Icertis, the leading enterprise contract management platform in the cloud. Leveraging the Icertis Contract Management (ICM) platform, CloudMoyo enables companies to lead digital transformation with enterprise contract management across procurement, lease management, legal and sales. Enterprises can accelerate their business by increasing the contract velocity, develop protection against risks by ensuring regulatory and policy compliance, and optimize commercial relationships by maximizing revenue and reducing costs.

About Us

CloudMoyo is the partner of choice for solutions at the intersection of cloud and AI. We help modern enterprises define their path to the cloud and leverage the power of data-driven insights. As a strategic Icertis partner, CloudMoyo is uniquely positioned to help customers drive ROI from their investment in CLM tools.

As a leading cloud and analytics partner for Microsoft, CloudMoyo brings together powerful business intelligence (BI) capabilities using the Azure data platform to transform your complex data into actionable insights and modernize your data landscape. We help you achieve insight, innovation, and impact through big data, machine learning, predictive analytics, and visual story-telling.

Headquartered in Bellevue, WA, with an innovation center in Pune, India, and a presence in Kansas City, CloudMoyo is poised to help intelligent enterprises build innovative solutions and help them stay ahead in the disruption cycle. Our proven track record includes developing enterprise solutions for Fortune 1000 companies such as Microsoft and Kansas City Southern.
