# Copilot Studio Accelerate Program

1 Week Proof of Concept

Discover the capabilities and benefits of Microsoft Copilot Studio and generative AI through this 1 Week, Copilot Studio Proof of Concept (POC).

Key Benefits

- Create custom copilots using Microsoft Copilot Studio.

- Leverage Generative AI answers functionality to enable copilots to address queries from diverse data sources.

Agenda of the PoC

Workshop (1-2 hours)
Collaborate with our experts to identify the perfect use case for your business.

Configuration (Days 2-6)
Harness the power of Generative AI answers, seamlessly integrating data from your chosen sources.

Demonstration & Feedback (Day 7)
Witness your custom copilot in action and share your valuable feedback.
