

PC Solution's Microsoft Frontline Pilot

8-12 Weeks Pilot Program will enable frontline workers and extended workforce of organization to understand how Teams platform can be used to enhance their Productivity.

Approach and Deliverables

Week 1-2 PLAN

- ❖ A formal Pre - Engagement session will be initiated with all the relevant stakeholders and will be termed as Kick Off.
- ❖ This will ensure alignment and introduction of organization business objectives mapped to Frontline workers.
- ❖ Initiation of the Discovery Workshop followed by Pilot Deliverables to be discussed and output to be documented as the Scope Deliverables of Pilot.

Week 3-11 ENABLE

- ❖ Turn on a Microsoft front line Trial in your production tenant and enable select users with the MS team app in Teams.
- ❖ Get MS Teams App-setting and management guidance, including training on best practices, and support for frontline workers in Teams.
- ❖ Regular status meetings to discuss Pilot progress or challenges.

Week 12 GROW

- ❖ Summarize key learnings and results or feedback from users who participated in the Pilot.
- ❖ Build a plan and define next steps to improve employee experience with Microsoft Frontline.
