- www.effency.fr

A single channel of access to practical knowledge in Teams

Create personalized journeys from your existing content. Here, TeamGether offers a "cybersecurity" course, a key issue for companies. The user is guided to adopt safe behaviors on a daily basis and is thus made aware of the importance of good practices. Quizzes ensure that they have acquired the necessary skills. The collection of feedback measures the ease of implementation. The employee becomes an actor in the cybersecurity culture.

Why TeamGether ?

TeamGether, is:
- Attract the employee's attention directly to their workspace.
- Widely disseminate key practices while preserving the autonomy of each employee.
- Collect feedback to measure ownership.
- Create efficient tailor-made journeys using your own content on any subject.
