

Meetings, Reimagined

ABOUT ECF DATA, LLC:

Helping your company thrive has been the sole mission of ECF Data since its founding in 2010. As a Microsoft Gold Partner, ECF transforms businesses to make them more effective, collaborative, and productive.

See what customers are saying:

"The Hybrid Meetings and Rooms Workshop has equipped our team to improve how meetings are run, which later translated to improved collaboration and productivity."

Lance Peet, Director IT Service Delivery
Manager, Regeneron Pharmaceuticals Inc.

WHAT WE OFFER

In the pursuit of helping customers improve their businesses' productivity through Microsoft solutions, ECF Data presents the Hybrid Meetings & Rooms Workshop, which enables clients to have focused discourses customized to business needs.

The deliverables of the workshop include:

- Evaluating current **meetings and meeting rooms capabilities**
- The "Art of the Possible" for Hybrid Meetings and Rooms, a mix of presentations and immersive experiences demonstrating Teams Meetings capabilities
- Directions for **transforming meetings and meeting rooms** across your customer's entire organization
- Plan and deliver modern spaces** to offer end-users and teams optimal meeting experiences across home offices, remote attendees, in-person meetings, and shared spaces
- A customized report with **actionable recommendations** to ensure your customer's organization can stay connected, collaborate seamlessly, and share information securely in a hybrid meetings environment

Why Microsoft 365?

Save your company money

Microsoft 365 is available as a simple monthly subscription. Avoid large up-front costs for new software while moving the cost of IT from capital to operating expense. And without on-premises servers to run email, websites, and document storage, you can reduce energy costs and save by no longer purchasing new server hardware.

Scale your business quickly and flexibly

Microsoft 365 grows with you on the Microsoft Azure cloud. Adding a new user is as simple as buying an additional license, which allows access to business-critical technology on up to five PCs/Macs and five mobile devices. Microsoft 365 provides many plans to fit the right capability needs and price points for each user in your organization.

Technical support

Your Microsoft 365 subscription comes with 24/7 support from a global network of experts, with one-hour response for critical, service-impacting events.

Financially backed SLA

Get peace of mind knowing your services are available when you need them with a financially backed, 99.9% uptime service-level agreement.

Simplified IT management

Reduce headaches by reducing your IT infrastructure. Content lives safely in globally distributed data centers with continuous backup and disaster recovery abilities.

Microsoft 365 is a cloud-based subscription service that brings together the best tools for the way people work today. By combining best-in-class apps like Excel and Outlook with powerful cloud services like OneDrive and Microsoft Teams, Microsoft 365 lets anyone create and share anywhere on any device.

Key use cases

Business-class email

Build anything from lightweight websites to multi-tier cloud services that scale up as your traffic grows.

Cloud storage

Rely on geo-redundant cloud storage for backup, archiving, and disaster recovery.

Meet online

Get actionable insights from your data by taking advantage of a fully compatible, enterprise-ready Hadoop service.

Collaborate, chat privately

Accelerate your mobile app development by using a backend hosted on Microsoft Azure.
