Expand Microsoft 365 Employee eXperience

About SQLI / Microsoft 365 Experience

SQLI help you to boost a collaborative culture focus on Microsoft 365 data to build new use cases designed to conform to your workplace environment

Pandemic accelerator

"Pandemic forced us to redefine Employee eXperience in a 100% digital collaborative stream. That's why we moved towards automation process."

–Nizar Abdeljaoued, Practice, SQLI

WHAT WE OFFER

We help you define, integrate and build new solutions with Office 365, Microsoft Teams and Power Platform.

Enrich your enterprise store with new custom business applications.

Onboard your teams with access to «à la carte» training course on our SQLI platform.

Our experts help you to accelerate the deployment of new usages more integrated and more intelligent for your team workers.

Finally, We help you to foster engagement of your Teams in the digital.
