

# Microsoft FastTrack

Accelerate Microsoft 365 Deployment with Core BTS + FastTrack

## Microsoft FastTrack accelerates the deployment and adoption of Microsoft 365 solutions.

As a FastTrack Ready Partner, Core BTS delivers Microsoft's free benefit as well as enhanced services.

When you partner with Core BTS to activate your FastTrack benefits, you gain access to Microsoft's extensive resource library, as well as customized guidance, onboarding assistance, and engineering expertise.

Our team uses real-world delivery experience to provide tailored deployment and adoption recommendations so that you can maximize your Microsoft 365 investment and delight end users.
