

Leading the Evolution of E-commerce Technology

Innovative e-commerce experiences start with Evenica. Trust one of the longest standing and most experienced e-commerce solution providers within the Microsoft channel to elevate your brand. Evenica was presented the Deloitte Technology Fast 50™ program award in 2020 for our rapid revenue growth, entrepreneurial spirit and bold innovation.

Evenica is a Microsoft Gold Partner developing e-commerce solutions for brands that envision the most demanding and sophisticated digital experiences. We're experts at deploying Dynamics 365 Commerce and we have our own portfolio of IP that compliments the Microsoft technology stack.

Evenica relies on over 20 years of experience and a perfected methodology to provide direct and quick e-commerce implementations. Our culture of earnest is a shared success with our customers, and we employ staff that are forward thinkers who actively seek creative solutions. We're able to offer high value services through honed efficiencies, deep experience and our own portfolio of respected software.
