Reaching New Heights through Teams

ABOUT ECF DATA,LLC:

Helping your company thrive has been the sole mission of ECF Data since its founding in 2010. As a Microsoft Gold Partner, ECF transforms businesses to make them more effective, collaborative, and productive.

See what customers are saying:

The Capabilities Apps Workshop made our investment all worth it because we were able to integrate all the applications and workflows that we need for our company to maximize all the capabilities of Microsoft Teams.

Lance Peet, Director IT Service Delivery Manager, Regeneron

WHAT WE OFFER

The **Collaborative Apps Workshop** offered by ECF Data is formulated to help you maximize the capabilities of Microsoft Teams by incorporating apps and workflows suited to your needs. Leverage the rich set of Teams platform capabilities and help your customers rethink productivity, drive business outcomes, and maximize the value of Microsoft Teams.

Workshop deliverables include:

☐ Understand customer's challenges by identifying customer's business needs and goals.

☐ Unravel Microsoft Teams' capabilities

☐ Develop into solution ideation by exploring personas, understanding pain points, and using Teams features and capabilities for your solution

☐ Build a plan design to implement as a valuable PoC

Why Microsoft 365?

Save your company money

Microsoft 365 is available as a simple monthly subscription. Avoid large up-front costs for new software while moving the cost of IT from capital to operating expense. And without on-premises servers to run email, websites, and document storage, you can reduce energy costs and save by no longer purchasing new server hardware.

Scale your business quickly and flexibly

Microsoft 365 grows with you on the Microsoft Azure cloud. Adding a new user is as simple as buying an additional license, which allows access to business-critical technology on up to five PCs/Macs and five mobile devices. Microsoft 365 provides many plans to fit the right capability needs and price points for each user in your organization.

Technical support

Your Microsoft 365 subscription comes with 24/7 support from a global network of experts, with one-hour response for critical, service-impacting events.

Financially backed SLA

Get peace of mind knowing your services are available when you need them with a financially backed, 99.9% uptime service-level agreement.

Simplified IT management

Reduce headaches by reducing your IT infrastructure. Content lives safely in globally distributed data centers with continuous backup and disaster recovery abilities.

Microsoft 365

Microsoft 365 is a cloud-based subscription service that brings together the best tools for the way people work today. By combining best-in-class apps like Excel and Outlook with powerful cloud services like OneDrive and Microsoft Teams, Microsoft 365 lets anyone create and share anywhere on any device.

Key use cases

Business-class email
Build anything from lightweight websites to multi-tier cloud services that scale up as your traffic grows.

Cloud storage
Rely on geo-redundant cloud storage for backup, archiving, and disaster recovery.

Meet online
Get actionable insights from your data by taking advantage of a fully compatible, enterprise-ready Hadoop service.

Collaborate, chat privately
Accelerate your mobile app development by using a backend hosted on Microsoft Azure.
