

Lite Package

At Intech Systems, we understand that each business is unique, with distinct needs and goals. That's why we've crafted three specialized, fixed-scope, and fixed-price rapid implementation packages tailored to suit your specific requirements. Our 'Lite' package is perfect for manufacturing businesses seeking a streamlined approach to financial management. It offers a cost-effective solution for those focused on enhancing their accounting and finance processes. With Lite, you'll get essential financial features and a simplified implementation process, making it an ideal choice for organizations looking for an efficient way to manage their finances.

Key Modules Offered

- Sales
- Purchase
- Financial Management
