

# Microsoft Viva Insights

## Accelerate your employee experience with Microsoft Viva Insights

In today's world, employees want more flexible remote work options, and meaningful in-person collaboration. Empowering people to thrive in a more flexible work world requires rethinking everything—from how you empower managers, to how you create culture, to how you reimagine the employee experience.

Discover Microsoft Viva Insights that help individuals, managers, and leaders gain personalised insights and actionable recommendations that help everyone in the organization thrive.

SoftwareOne Employee Experience Envision workshop provides an in-depth exploration of Personal, Manager, and Leader insights with privacy controls and data analysis capabilities to:

1. Understand the impact of work patterns on productivity and wellbeing
2. Provide privacy-protected insights and actionable recommendations
3. Address complex challenges with advanced tools and capabilities

### Approach:

A three-phase engagement that provides an overview of the Art of the Possible, and deep dives across the Viva suite with Topics, Connections, or Learning.

#### Assess

- Gather information on key business scenarios and customer's employee experience maturity
- Define scope
- Identify business stakeholders
- Introduce Microsoft Viva

#### Art of the possible

- Microsoft Viva overview with selected pathways
- Showcase employee experience transformation and dive deep into each module
- Demos and immersive experiences

#### Build the plan

- Prioritise customer's top employee experience use cases and scenarios
- Build a plan and define next steps to improve employee experience with Microsoft Viva
- Adoption and Change Management Approach
