# ScaleFast ERP Deployment for Manufacturing

## — About RSM:

RSM, with over 51,000 people in 123 countries, delivers the power of being understood to our clients, colleagues and communities through world-class audit, tax and consulting services tailored to meet the unique needs of middle market businesses.

## — What we offer

We combine our value-based Microsoft technology consulting capabilities with deep manufacturing experience to deliver best-in-class Microsoft solutions.

Our accelerated ERP deployment offering is based on our deep experience in Manufacturing and Distribution and the challenges that you face. A core component of our methodology, includes pre-defined business processes along with pre-configured Finance & Supply Chain environments and toolsets, allowing our implementation team to quickly deliver value to you.

You will save numerous hours that would normally be part of the project effort with our curated business process library that serves as the starting point for accelerated implementation.
