Receive and assign tasks from Planner & Teams directly in Outlook

- Get a quick view of all your tasks.
- Create or update a task.
- Create a task from an email and save files or the email on the task.

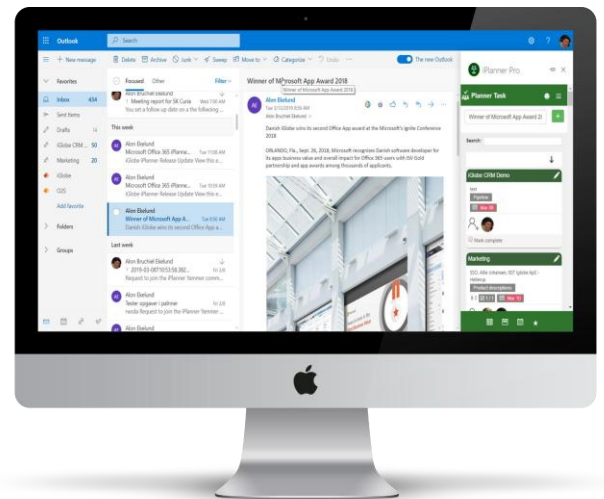

Most tasks come in by email or in Teams.

With the iPlanner Pro App you can save and organize your tasks directly from Outlook/Teams in your Planner - including any attachments.

You may also organize your team's work directly from Outlook and Teams.

Planner makes it easy for your team to create new plans, organize and assign tasks, share files, chat about what you're working on, and get updates on progress.

Assign your task and solve it all directly from Outlook.
