EXPERIENCE BUSINESS CHANGING RESULTS WITH HOLOLENS 2

Overlay interactive holographic instructions or tutorials onto the physical world. This level of training solidifies skills – reducing errors and closing knowledge gaps. Use Dynamics 365 Guides to reinvent training programs with interactive step-by-step instructions. Guides creates a more impactful experience by including annotations, photos, videos and 3D models.

WORK WITH US THE GUIDES EXPERTS

Included in our packages:

- Information, capabilities and end user training for features of the HoloLens 2
- Guides Licensing assignment
- Guides Environment Setup in Dynamics 365
- HoloLens and Guides Desktop Installation and Setup
- Training on Authoring Guides using the Desktop and HoloLens application
- Training on Guides Operator usage with the Dynamics HoloLens application
- How to administrate Dynamics 365 Guides at scale
- How to manage security and access to specific Guides
