

Dynamics 365 F&O development budget estimation

1-2 days assessment to estimate development services budget according to your needs.

Development services:

- Dynamics 365 F&O/AX development;
- Power Platform (Power BI, Power Apps, Power Automate) development;
- Upgrade services;
- Data Migration;
- System updates and maintenance;
- System support.

Process

1. Introduction call to discuss your current needs;
2. In two days we prepare a detailed evaluation report with required competencies, time, and budget to execute development tasks.
3. Assessment is presented during the call and sent as a .pdf file afterward.

Pricing and commitment

The budget estimation service is **free of charge with no commitment**. However, GO-ERP has a strong team of developers and can execute every task regarding development as well. If the timing and pricing mentioned in the assessment sound reasonable, we would be glad to help you out as soon as possible.
