

## **Lead Time:**

Three business days are allotted for processing each order. International delivery dates vary depending on the destination, while domestic orders (to Cyprus) are delivered in 5-7 business days.

## **Shipping:**

Shipping costs are included in product pricing.

## **Time of Deployment:**

Estimated Deployment: It takes 10 to 15 minutes to set up each airbeld Eos device. The quantity of devices to be installed determines the overall deployment time.

## **Customer Service:**

Please get in touch with us by phone or email. (+357) 22515175, [info@embiodiagnostics.eu](mailto:info@embiodiagnostics.eu)

## **Cancellations of Subscriptions:**

No cancellation of subscriptions is possible after the devices are being shipped and/or received. When placing an order, you must pay for a one-year subscription, which takes effect on the day the device is deployed.
