

The Unit8 logo is displayed in white on a dark background. It features the word "Unit8" in a bold, sans-serif font, with a small "TM" trademark symbol to the right of the number "8".

Unit8™

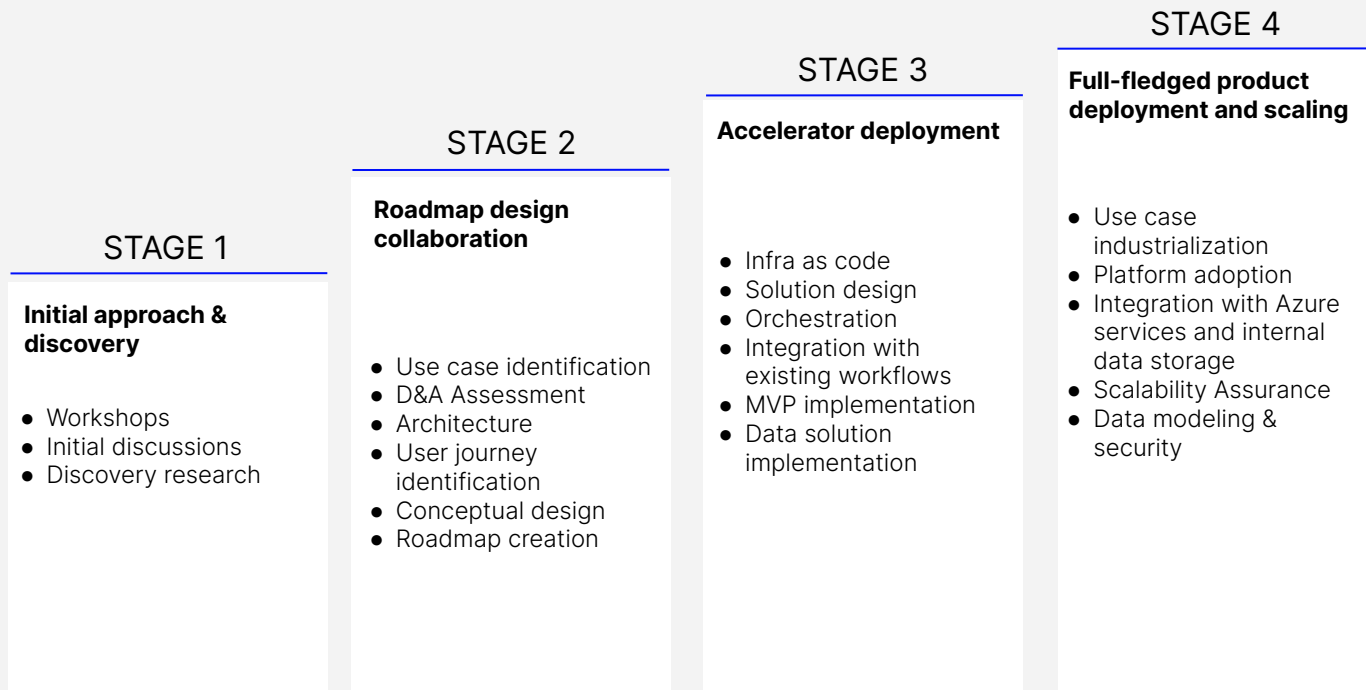

Azure OpenAI

Discovery Workshop

The opening chapter for Generative AI

# GenAI journey with Unit8

Unit8 will provide a data-driven, results-oriented approach to integrate GenAI into your existing workflows, empowering you to achieve tangible business outcomes

# Generative AI Services

## Objectives

Explore the potential of Generative AI with Unit8's GenAI Discovery Workshops and discuss how your organisation can unlock the new dimensions in productivity, content generation, teamwork, and customer support by integrating GenAI technologies (including Azure OpenAI and ChatGPT) into your business strategy.

## Outcome

- Overview of the short-term and long-term impacts of generative AI on your industry and company
- Industry best practices, recommendations on how to avoid pitfalls
- List of recommended next steps from the workshop

## Audience

Designed for managerial and executives profiles, these workshops will swiftly bring you up-to-date on the latest advancements in Azure

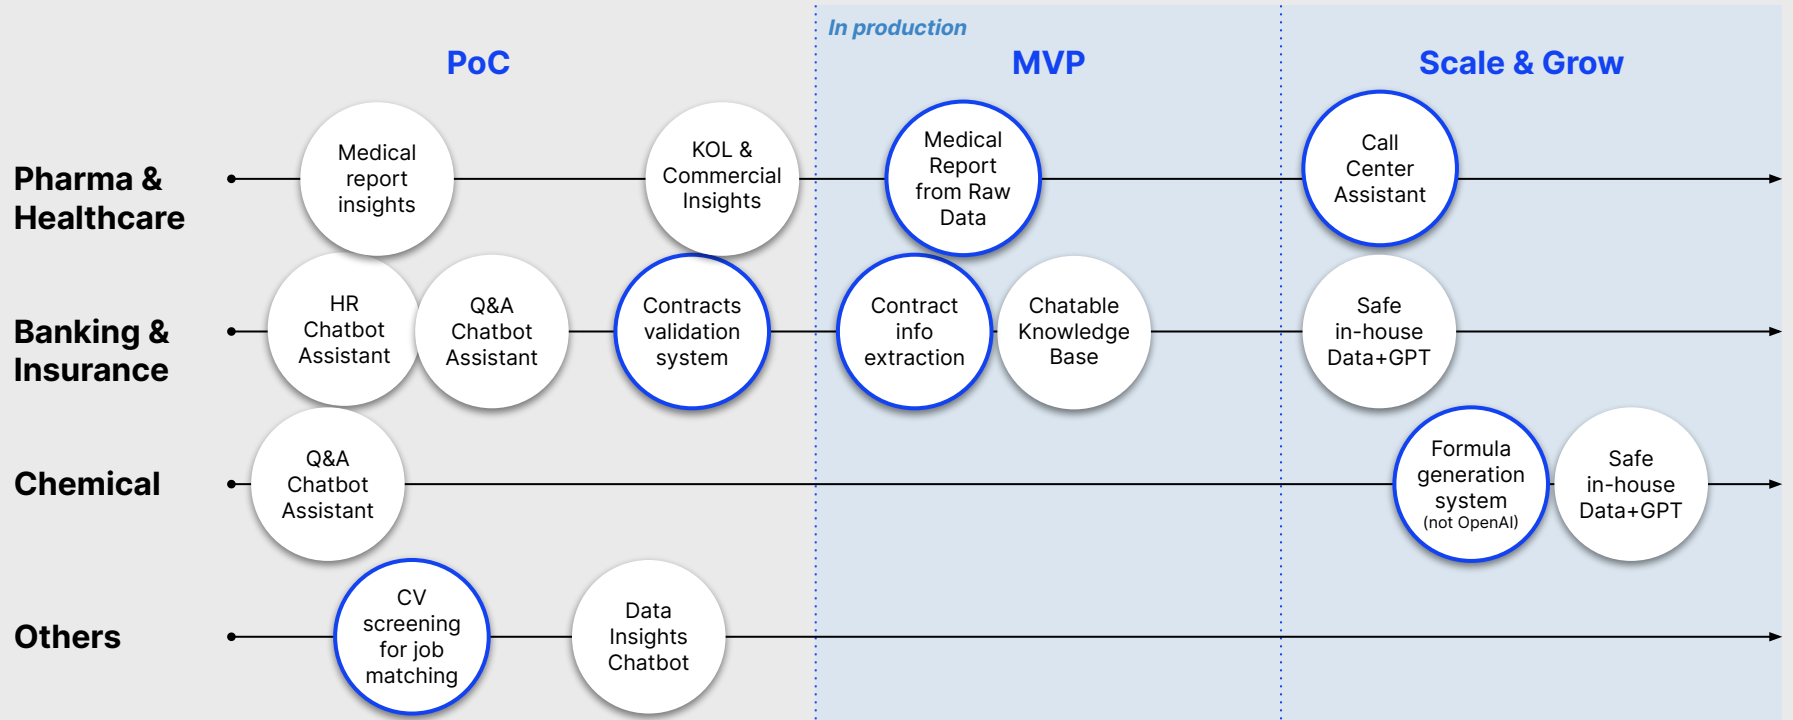

## Duration

- The workshop is set to last approximately 2 hours.
- The service can be delivered either virtually or on-site

# Unit8 is helping various industries to bring Generative AI use cases into production leveraging its custom-built accelerator
