

# MICROSOFT VIVA CONSULTATION IMPLEMENTATION - WORKSHOP

It empowers you to foster connectivity, gain meaningful insights, inspire purpose, and nurture growth within your organization, all while leveraging your current infrastructure

Discover and grow up with your business consultations for Microsoft Viva together with Microsoft 365 platform, applications and collaboration tools.

## Viva Connection

- Target news and engagements, boost critical content, and easily gather community feedback

## Viva Topics

- Help employees learn about company products and services with easy access to product details, announcements and roadmaps

## Viva Engage

- Give employees a voice and empower leaders to listen, learn, and engage everyone

## Viva Learning

- Share new courses, set due dates to watch

## Viva Insights

- Access generalized analytics for managers and leaders to help their teams avoid burnout

## Viva Goals

- Create, manage and customize OKR workflows with OKR templates, automated check-ins, and advanced insights

## What we offer

- Gaining knowledge of Microsoft Viva's integrative capabilities with Microsoft tools, such as SharePoint Online, Microsoft Teams, OneDrive, and Outlook.
- Enhancing HR processes and employee development programs using the platform's features.
- Exploring practical use cases of Microsoft Viva and discovering how other companies are using the platform to achieve their business objectives.
